To Appeal Lyons, Wragg Offer

Settlement of the suit involving former School Committeemen John F. Lyons, John G. Wragg and former Asst. Supt. of Schools Edward P. Regan appears not to be in the offing.

While there have been offers made by the town to the principals, the amount presented for legal fees incurred by Lyons and Wragg is not sufficient to meet their

expenses.

Mrs. John F. Lyons, wife of the former committeeman said this week she, and friends, will appear before the selectmen Monday night at their conference session, asking the board to treat her husband and Wragg equally with the other involved in the case.

The overall case involves a civil suit

against Lyons, Wragg and George F. Olesen, who voted not to continue Regan in his post as assistant superintendent. Regan brought the suit seeking \$150,000 in damages against the three in 1974.

Lyons and Wragg did not accept counsel appointed by the town which Olesen did.

New Superintendent

Robert Volker, 21-year veteran of the public works department, was appointed superintendent of the highway department this week by Town Manager Jared S.A. Clark. His appointment was confirmed Monday by the selectmen. Volker had been serving as working foreman then named acting superintendent last October following retirement of John Lynch.

Victim Of Plane Crash

A 33-year-old Andover engineer, father of three, was a victim of the worst plane disaster in U.S. aviation history Monday.

Joseph R. Canavin, of Olde Berry Road, was a passenger on the Pacific Northwest 727 jetliner which crashed Monday over San Diego, killing 151 people.

Canavin was a dynamics engineer for Draper Laboratories in Cambridge. He was on a business trip for Draper en route to San Diego to discuss a government contract. He had been employed at Draper and been a resident of Andover for three years.

Born in Norfolk, Neb., he received a Bachelor of Science degree from Case Institute of Technology in Cleveland in 1967. He received a master's degree in astrodynamics in 1972 and a Ph.D. in dynamics in 1976.

Following receipt of his doctorate degree, Canavin was employed at Hughes Aircraft in El Segundo, Calif. and TRW Systems in Redondo Beach, Calif.

He was a nationally-known researcher in the field of dynamics and control of space satellites and was to present a paper at the American Institute of Aeronautics and Astronautics Conference on Space Platforms.

He is survived by his wife Madonna (Murphy); three children, Shannon, five; Peter, four and Erin, two; his parents, Mr. and Mrs. Joseph J. Canavin; and two sisters, Alice Nemitsas and Mary Roderick, all of Baltimore.

A Memorial Service will be conducted Friday at 1:30 p.m. at the MIT Chapel in Cambridge.

Andover's tax rate will rise \$4 this year, bringing the annual levy to \$62 per thousand valuation.

Assessor William H. Russell announced that a little "sharpening of the pencil," allowed the rate to rise only the \$4, rather than the \$5 hike anticipated after completion of the annual town meeting.

The increase could have been more, had not some additional revenues been received from the state this year, Russell said. The added revenues from various state sources probably resulted in saving about \$2 on the tax rate this year, he said.

Even with the increased revenues, the town had to make up for some cherry sheet funds which were expected on school reimbursements, but were not forthcoming.

This amounted to in excess of \$300,000. School and town authorities are still pursuing the anticipated funding. The anticipated revenues for various school programs was less than anticipated, a problem being faced by other communities.

Assisting in keeping the tax rate increase at only \$4 this year was the increase of \$7,687,100 in new valuation this last year.

The bulk of the new valuation came from single residence construction. Major industrial contributions came from an addition at the new Hewlett-Packard plant in West Andover and an addition to the Shawsheen Rubber Co., in Ballardvale.

Russell said a review of the recap sheet presented to the state commissioner of corporations and taxation on Monday contained figures with revised estimates and also a cutting back on overlay funds — those used by the assessors to treat abatements and exemptions.

"It was a basic sharpening of the pencil, in an effort to keep the increase within the rate of living increases," Russell said.

The increase is 6.2 per cent over a year ago and places the town within the range of what individuals have borne this past year.

The school rate for the coming year will be \$37.12 with the general rate established at \$24.88.

The additional valuation brings the town total valuation to \$266,519,800.

The Courageous Crew Of The S.S. Andover

Andover's entry in the Lowell Regatta — an event in which municipal officials from several area towns and cities participated — did not fare well in the turbulent waters of the Merrimack a week ago, but its crew proved courageous.

The crew was to be captained by Town Manager Jared S.A. Clark, whose advance credentials indicated an acquaintance with sailing. But, Clark was unable to make the event and was replaced with Marshall Darling.

Darling, Supt. of Schools Kenneth R. Seifiert, Selectman Susan T. Poore and School Committee

Chairman David R. Ahouse, set out on the course with winds blowing mightily, providing considerable difficulty for all racers.

But, Andover's crew was awarded a craft with problems, as they soon found out.

The boat was taking on water at a pace faster than it could ply the Merrimack.

Mrs. Poore donated her shoes to provide for bailing, but her efforts along with Seifiert's could not keep pace with the inward rush of water, resulting in the sinking of the loaned "S.S. Andover," and the crew being returned to shore via motor craft.

Test Borings Taken On Bank Land

Test borings were being taken this past week on land to the rear of the Andover Savings bank, in anticipation of future construction work.

Richard C. MacGowan, vice president of the bank reported that the borings were being taken as

preliminary work and testing procedures in preparation for future development.

The bank has been planning development of the property which adjoins the building and extends to Central street, much of which is now used for parking purposes.

Road Hearings Scheduled

Selectmen have scheduled hearings on street acceptances, as well as proposed discontinuance of some sections of streets.

The board will hold a public hearing on Tuesday, Oct. 10 at West Elementary school beginning at 7:30 p.m. on the laying out of the following streets which will be presented for acceptance at the Oc-

tober town meeting: Old Schoolhouse Road, Aloneson Way.

Discontinuing of portions of the following streets as public ways, will also be considered at this hearing, prior to presentation at the town meeting: Sunset Rock Road, Wood Hill Road, Tucker Road, Prospect Road and Rocky Hill Road.

Fire Department At Full Staff

The confirmation of the manager's appointment of Robert Hannon as a permanent firefighter this week, brought the department up to full staff.

Town Manager Jared S.A. Clark told selectmen this week, that the appointment brings the department to its full compliment of manpower.

Appointments Approved

Selectmen this week confirmed the appointment of Atty. Ronald F. Shepard, 9 Cardinal Lane to the conservation commission. Town Manager Jared S.A. Clark informed the board that the appointment conformed to the desires of the commission that an attorney be among the membership. Shepard will serve a three year term.

Owen Hinckley, president of the Haven Associates was approved as the manager's appointment to the

Council on Aging for a one-year term.

Other appointments confirmed included: Francis Owen Smith, part-time employee at Memorial Hall library; Elizabeth Kochakian, part-time clerk, fire department; Helmut M. Lutsch, temporary heavy equipment operator; Frank Ragonese, assistant assessor; Daniel Knowlton, and David Goodrich, library monitors and Dorothy Venuti, custodian, maintenance man.

Alberich Winner Of 1st Prize

H. Glenn Alberich of Andover, has won the \$250 First Prize in the Nathan Burkan Memorial Competition at the New England School of Law, President Stanley Adams of the American Society of Composers, Authors and Publishers announced today. The Competition at the New England School of Law was under the supervision of Dean Thomas C. Fischer, and the title of the winning essay was "The Taking of Property Rights: A Constitutional Appraisal of the 1976 Copyright Act."

Alberich received a Bachelor of Arts degree in Sociology from Franklin and Marshall College in 1966. At the New England School of Law, where he was a Dean's List student throughout his studies, Alberich was Lead Articles Editor of the Law Review. He was graduated magna

cum laude from law school.

The son of Mr. and Mrs. A. Henry Alberich of Hasbrouck Heights, N.J., Mr. Alberich is married and has two children. He is presently Assistant Day Editor of The Boston Globe.

The Nathan Burkan Memorial Competition is sponsored annually by ASCAP, America's most prestigious performing rights licensing organization, in memory of ASCAP's first General Counsel who died in 1936. It is designed to stimulate interest in the field of copyright law. First and second prizes of \$250 and \$100 are offered in each of the leading law schools throughout the nation.

A panel of distinguished judges then considers all the prize-winning papers which are received from participating law schools, and selects the outstanding essays for national Awards of \$1500, \$1000, \$750, \$500 and \$250.

Friends Plan Protest On Library Move

The board of the Friends of Andover Memorial Hall Library devoted the majority of their meeting on Monday, Sept. 25, to a discussion of the town manager's proposal to terminate the regional library's use of the theater building to make room for town offices there.

Discussion of the alternate sites proposed for the Regional Library by the town manager left the board convinced that none of the buildings, particularly the pumping station, would be suitable for book storage. Renovation of any one of these buildings would appear to be a costly project, possibly extending beyond the town manager's suggested figures because neither an architect nor a construction company has been approved to confirm costs.

The town manager is meeting with the library's regional administrator on Friday, Sept. 29. Should she confirm the belief that all sites proposed are unworkable, the Friends are prepared to circulate a town-wide petition urging retention of all library services as they currently exist in the theater building. The Friends maintain that the theater building was purchased for library use at town meeting in October, 1975, and an attempt to use it as a second town hall would be to ignore the voters' intent.

The Friends are especially concerned

that the proposed shuffling of library facilities, town offices, and the Haven does not guarantee a permanent home for any one of these groups. The town manager told representatives of the Friends at an

earlier meeting on Sept. 20 that the move of town offices to the theater building is only a temporary one until all offices can ultimately be housed in a larger building.

Meanwhile this temporary change will cost the Andover taxpayer unknown dollars, because the Theater Building must undergo immediate renovation to accommodate the newly created Department of Community Development. The town will also lose the convenience of the rent-paying Regional Library, which faces

eviction on Nov. 15, if an immediate solution is not reached.

New Director Addresses Meeting

The fall board of directors meeting of Jewish Family Service of Greater Lawrence was held on Wednesday, Sept. 27 at the United Fund Community Service Building, 430 North Canal Street, Lawrence. Mrs. Ruth Sobil, president introduced Ms. Judith Kroner, the new director-caseworker of the agency. Ms. Kroner reported on agency activities since she began at Jewish Family Service on August 1.

Ms. Kroner, a social worker, received her Bachelor of Science degree from Tufts University and her Masters Degree in Social Work from the University of Pennsylvania. She is a member of the Academy of Certified Social Workers. Ms. Kroner was most recently employed by the Mass. Department of Mental Health as Children's Coordinator for the Haverhill-Newburyport area.

Jewish Family Service is supported by the Merrimack Valley United Fund and the Jewish Community Council of Greater Lawrence. It serves those families and individuals of Greater Lawrence who seek help in resolving their personal and family problems. Ms. Kroner is available in the office on Tuesdays and Thursdays, 9-5 p.m.

The agency continues to have a 24-hour answering service. Appointments are scheduled at the public's convenience.

Changing Party I.D.

Voters in the recent primary election are reminded that they are now enrolled as a Democrat or a Republican, dependent upon which ballot they voted. This party enrollment will appear on the future voting lists as compiled by the town clerk.

If an individual wishes to become un-enrolled (Independent) or to be enrolled in the party other than that in which they voted, they must notify their town election officials in writing. Elden Salter, town clerk, at the town hall, 20 Main Street, has self-addressed postal cards which may be

obtained at his office or at the polls at the time of elections.

Election laws in Massachusetts permit this easy shift in party designation, but it must be completed before registration ends for a primary election.

The next deadline for changing is February, 1980, prior to the Presidential Primary. Files are kept at the town clerk's office indicating present status and dates any changes were made. You may check your designation by calling the office, and/or change your designation by obtaining the card, filling it in at the town clerk's office or mailing it to him (10¢ postage). Those who obtained cards at the polls and turned them in at that time have completed this process.

Changes In Staff At Library

Due to the retirement last summer of the assistant director, Constance Smyth, several staff changes have been made at the Memorial Hall Library.

Barbara Pettus, head of reference at the Library since 1974, has assumed Mrs. Smyth's position as assistant director. Mrs. Pettus, with a B. A. from Smith College and a M.L.S. from Simmons College, also serves as Editor of the "Bay State Librarian", the official publication

of the Mass. Library Association.

Filling Mrs. Pettus' position as head of reference, is Shirley McGrath. A graduate of the University of Massachusetts with a M.L.S. from the University of Minnesota, Mrs. McGrath recently returned to Massachusetts from Louisiana where she had served as head of reference for nine years at the Lafayette Parish Library, headquarters of the Bayouland Regional Library System.

Joining the library circulation staff is Elinor Olney, former Andover High School librarian. Mrs. Olney, with a B.A. from Radcliffe College, has been an active member of the Friends of Memorial Hall Library.

A crack one-eighth of an inch around a door has the same cooling effect as a missing window pane four by six inches, Massachusetts Audubon says.

Oil Consumption

This year the U.S. is expected to consume almost 20 million barrels of oil a day. According to The World Almanac, only 10 million barrels of oil a day are produced domestically. By 1985, it is estimated consumption will increase to 25.6 barrels a day, with domestic production rising to 11 million barrels.

Rizzo Endorses Buckley

Middlesex County Sheriff John J. Buckley, candidate for Congress in the 5th District, has received a letter of endorsement from Dr. Nick Rizzo two days after the primary.

Describing himself as a "lifelong Republican," Dr. Rizzo offered his sup-

port of the Buckley candidacy and urged "all Republicans to do likewise."

Referring to the long history of Republican representation in the district, Rizzo said with the primary over it was "time for intra-party differences to be resolved," so that the Fifth congressional

office "may be occupied once again by a member of the Republican party."

Dr. Nick Rizzo, an Andover psychiatrist and former Director of the Lawrence District Court Clinic was defeated by Buckley in the Republican primary on Sept. 19.

The Federal Railroad Administration predicts that 14.8 million people will ride

the upgraded Northeast Railroad Corridor when the project is complete around 1981. This is an increase of 53 percent over 1977.

Announcing the Great Dress a Doll...help a tot contest!

**If you've ever wanted to help a needy child,
but didn't know how to go about it, here's your chance.**

Most of us would like to make the world a little better place to live in. Not all of us can afford to donate money, but many of us know how to use our hands. . . we can sew, knit, crochet. There's a little bit of designer in all of us. . . and that's all you need to have lots of fun, and make a little tot's Christmas merrier.

HERE'S ALL YOU HAVE TO DO:

1. Visit any one of our conveniently located offices beginning October 9 and ask for one of our 16 inch dolls. . . they're FREE!
2. Take her home and put your talents to work and let your imagination flow.
3. Return the dolls by November 10. They will be displayed and judged by both the public and an impartial panel as to the best dressed in one of 4 categories: Original Design, Knit and Crochet, Fancy Dress, Historical Dress.
4. The winners will receive cash prizes. Then the dolls will be sold at auction. . . and here's the best part. . . all proceeds from the auction will go to help make Christmas a little merrier for a needy tot. So, make a point to visit Andover Bank today (you don't have to be a customer to participate), pick up your doll and join our Great Dress a Doll. . . Help a Tot Contest.

DRESS A DOLL. . .HELP A TOT CONTEST RULES:

1. Pick up a doll at any office of Andover Bank starting October 9.
2. Register for contest.
3. Design and make an outfit for the doll in one of the 4 categories: Original Design, Knit and Crochet (any costume made by knitting or crocheting), Fancy Dress, Historical Period.
4. Return doll by November 10. Four cash prizes will be awarded in each of our offices for the winning doll in each category.
5. A Grand Prize will be selected by the public and awarded to the doll judged best of all in each office.

After dolls have been on exhibit and judged, they will be sold to the highest bidder on December 2. The Auction will be at our Main Office, 61 Main Street, Andover. All proceeds will go to childrens' charities to help make Christmas a little merrier for a needy tot.

Carriage Show On Sunday

Many fine horses and carriages will be seen at the Fifth Annual Carriage Show and Driving Competition to be held at Edgehill Farm, North Andover on Saturday and Sunday, Sept. 30 and Oct. 1. Woodrow Follett of Edgehill Farm is seen here receiving a ribbon at last year's show.

A Touch Of Yesteryear

The New England Region/Carriage Association of America will hold its Fifth Annual Carriage Show and Driving Competition on Saturday, Sept. 30 and Sunday, Oct. 1, at Edgehill Farm, Osgood St., North Andover.

This year there will again be a great deal of emphasis on getting as many of those beautiful antique carriages out of the barns and carriage houses and into the show ring as possible.

In addition to the usual classes in pleasure driving and the obstacle driving for singles, pairs and multiples, the show will have classes for various types of carriages such as informal vehicles, phasetons, gigs sporting vehicles and commercial vehicles.

Pleasure and commercial vehicles will both compete in the Nostalgia class in which appropriate dress to suit the particular vehicle being driven is encouraged.

Topping off the carriage classes will be the Concours d'Elegance which is designed to select the most elegant turnout in the show.

Many of these carriages will take part in a lamplight parade of carriages and horses late Saturday afternoon from Edgehill Farm to North Andover Common and the Coolidge Estate with refreshments served en route.

Edgehill Farm is just one half mile off Route 125 at 547 Osgood St., North Andover, and the public is invited to attend.

Director Of Community Relations

The Merrimack River Girl Scout Council, Inc. announces the appointment of Helen Wolfe Allen as its community relations director.

Ms. Allen is formerly program director for the Greater Lowell Y.W.C.A., the Greater Lawrence Women's Center, and the Sixteen Acres Community Center in Springfield. She is formerly producer and hostess of the "Emergence" show, a twice-weekly talk show on WLTI, Lowell University.

Ms. Allen was an elected delegate to the International Women's Year Conference in Houston, Texas last year, and in March

was received at the White House by President and Mrs. Jimmy Carter, when the members of the continuing Committee of the International Women's Year Conference presented their findings.

Ms. Allen resides at 199 Greenwood Road.

High School Students Commended

Nineteen Andover High seniors have received Letters of Commendation from the National Merit Scholarship program, based on the results of tests they took last fall.

Principal Philip Wormwood says the students are among the top five percent of more than one million who participated in the National Merit tests, and while they will not continue in the scholarship competition, the honor should enhance their opportunities for college admission and financial aid.

Named locally are Steven H. Blomgren, Kathleen M. Coughlin, Christian C. Doherty, Leonard D. Driscoll, Martha E. Easton, Laura A. Foley, Karen A. Foster, Mark E. Hervol, Bruce E. Horner, John F. Kinsky, Mallory G. MacDonald, Suzette R. McConnell, Gregory A. Moss, Neil R. Safran, David A. Shrestinian, Heydon D. Traub, Lisa A. Wicker, Carol A. Wold and David J. Yates.

Each commended student may ask to have identifying information sent by National Merit to two higher educational institutions. In addition, NMSC makes it possible for regionally accredited colleges and universities to receive the home addresses of the commended students, on a cost basis, so they may contact the students directly.

Candace Bachner

Director Appointed

The Community Cooperative Nursery School located in the Unitarian Universalist Church on Lowell St., has a new director-teacher.

Candace Bachner moved to Andover with her family this spring. Previous to moving here she was a nursery school teacher at a cooperative in New Jersey. Candy has both her bachelor of arts degree and her masters degree in Early Childhood Education from Queens College in New York. She was an honors student.

When asked about her personal philosophy of Early Childhood Education Candy said, "Years ago, we used to think of nursery school as the 3 r's, reading, writing, and arithmetic. I prefer to think of nursery school as the 3 a's, acceptance, for accepting the child for himself at his own developmental rate and level. Affection — the warmth and understanding that we show in accepting him as an individual and consequently the positive social relationships he will make with others. Achievement — to have the child feel good about himself and to develop a positive self image through successful experiences with his environment."

Anyone with questions regarding the nursery school call Dee Lamana or Gay Tracy.

orchestra's annual Fall concert and will be held in George Washington Hall at Phillips Academy, Andover. A feature of this first concert will be the performance of 15 year old concert pianist Mark Clinton of Bowie, Maryland. The youthful and accomplished pianist will play the Chopin E-Minor Concerto. Also included in this program will be the "Iphigenia in Aulis" Overture by Gluck and Dvorak's Symphony No. 8 (Opus 88).

The orchestra's annual Christmas concert will be played at St. Lucy's Church on Merrimack street in Methuen and will take place on Sunday afternoon Dec. 10. On Sunday, March 11 the 1979 phase of the series will begin with an afternoon program at the West Junior High School auditorium in Andover. The season will conclude with an afternoon concert on Sunday, April 11 at the Salem, N.H. High School auditorium. Dr. Santo S. Cataudella will be featured soloist with the orchestra for the latter concert.

Nicholas Van Slyck, in his 12th year as music director and conductor of the Philharmonic, has been rehearsing the orchestra in Andover and it performed a sponsored concert at St. Lucy's Church in Methuen on Saturday, Sept. 23. Van Slyck is nationally known as a conductor, pianist and composer.

Brochures announcing the society's programs for the season are currently being mailed with invitations to participate in the concert series and aid the Society further its objective of community cultural advancement. Season tickets are available and admission for individual concerts will be on sale at the door on concert dates. Music lovers desirous of supporting the Philharmonic's performance of fine music in the Merrimack Valley may obtain a brochure by addressing the Merrimack Valley Philharmonic Society, Inc., P.O. Andover High Notebook

By Renee Pruneau

The Andover High School Pep Club has been actively getting organized for this year. The Club is full of school spirit. They have been making posters promoting the various sporting events coming up. They are now starting to make plans for their yearly skit which is performed at the Pep Rally during Homecoming Weekend, which this year is the weekend of October 20.

Club members can be spotted on the fifty yard line at football games or cheering the soccer, field hockey, volleyball, cross country teams on. Recently, sweatshirts were bought proclaiming the fact that the wearer is a member of the Golden Warriors Pep Club. Golden Warriors buttons will be sold to help subsidize the sweatshirts and other supplies needed by the Club. This year's officers include: Ann Driscoll, president; Anita Palmer, vice president; Jerry James, treasurer and Robin Fuller, secretary.

The junior class held their first meeting of homeroom representatives last week. They discussed the first dance of the year which they will be sponsoring Sept. 29 from 8 to 11 p.m. at the high school cafeteria. Torch, a band composed of

A.H.S. students, will be playing. Door prizes will be awarded and refreshments sold. Junior class officers are: Jeff Nicastro, president; Kathy Powers, vice president; Suzanne Russell, secretary/treasurer.

The A.F.S. Club conducted a party Saturday night to introduce its members to the three A.F.S. students living in An-

dover: Agnes Polzl (Austria), Mark Cohen (South Africa) and Gerr Slap (Norway). Two A.H.S. students, Linda Syiek and Stacy Zeder also discussed their trips this summer to Thailand and Greece. The party was hosted by Paige Whitley, president of the Andover High A.F.S. This year the club plans to go on some short-term exchanges and is interested in spending a weekend in the mountains, as was done last year. The annual A.F.S. dinner and Christmas wreath sale are now in the works. Other officers include Linda Syiek,

vice president and Katy Gannon, secretary treasurer.

E.J.H. News

By Karen Jo Giamusso

After three weeks of school everything is beginning to fall into place. Student council representatives were elected on Thursday. The officers are Sue Driscoll, president; Joel Brother, vice-president; Emily Gerson; Treasurer; Liza Crowley, secretary.

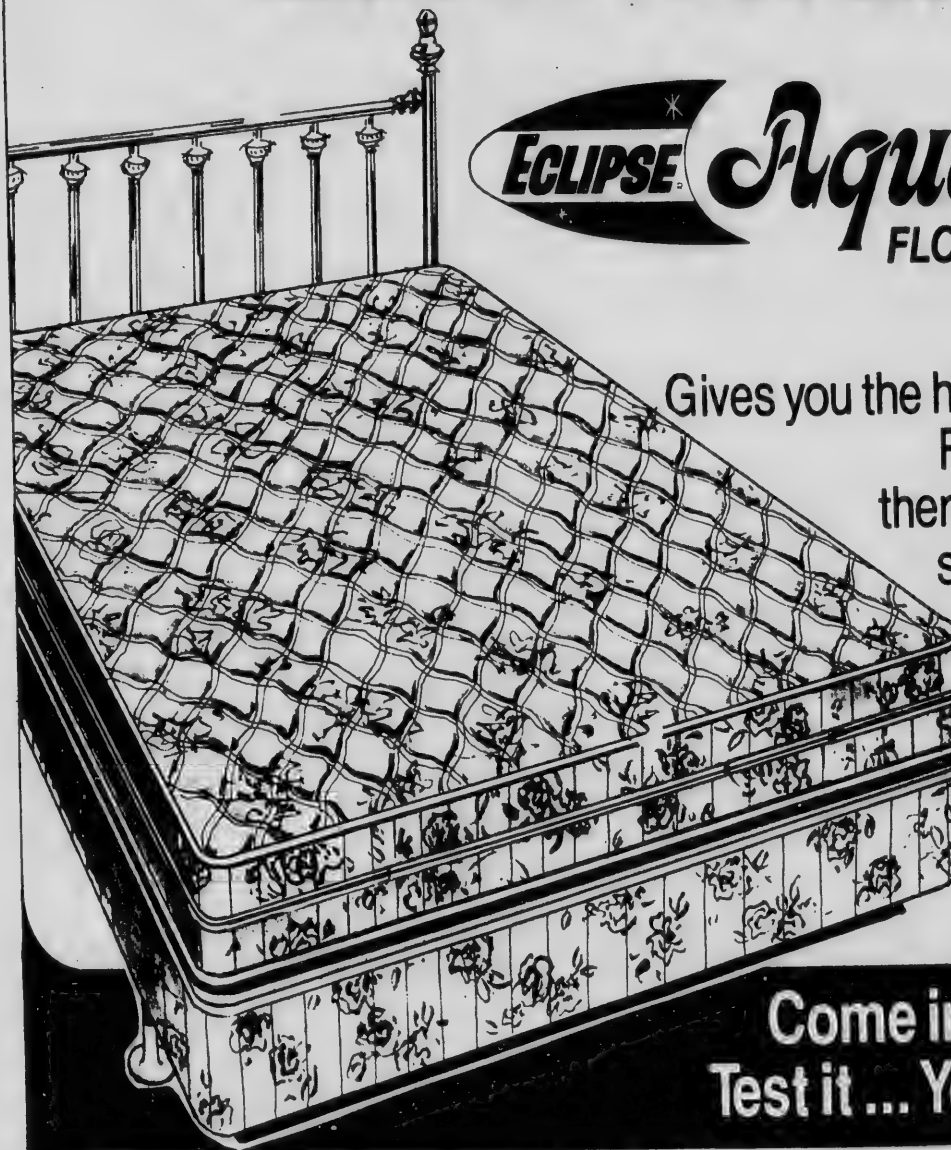

Mr. Hendrickson and Mrs. Woolard, the faculty advisors say that Fall plans include selling donuts and hot chocolate at football games, Warrior buttons to spread the school spirit and a dance around the end of October.

Sixty girls tried out for cheerleading. Those chosen from the eighth grade were Julie Flaherty, Lisa Catalano, Lisa Aiello, Jenna Himber, Liz Dowrick, Amy Price, Vicky Simpson, Laura Grams and Ellen Flett. Ana Cordovez, Ellen Stier and Katie Darwin are the alternates. The ninth grade cheerleaders are Sue Loranger, Emily Gerson, Laura Hopwood, Maryann Salisbury, Monica McKinley, Joanne Fossella, Alison Sawyer, Sue Erickson, Sue George and Shelley Ippolito. Alternates are Karen Tomlinson and Kathy Edwards. Ninth grade cheerleaders cheer at all games and the eighth grade girls cheer at home games.

There was a good turnout for the pep club last week. Miss Brown, the faculty advisor for the cheerleaders and the pub club says they are still looking for more warriors.

Congratulations to the girls' field hockey team who beat Billerica in an away game 4-0. Outstanding for East were Kathy Kinsella, Patty McGann, Amy Starensier, Missy Lucey and Julie Barry. Mrs. Lunn is the field hockey coach.

Students Above National Norm

Andover pupils have gone about as far as school administrators care for them to go on standardized tests, and Supt. Kenneth R. Seifert says it's time to begin concentrating on "the whole student," rather than to teach for higher test scores.

Reporting the results of last spring's external tests to the school committee recently, Seifert said the Andover students continued to score "significantly" above the national norms (the 50th percentile) in all of the sub tests administered.

In fact, he said, 100 percent of the Grade 1 through 3 averages were above the 70th percentile, while 98 percent of the Grade 4 through 9 averages topped that mark.

Math and reading showed highest scores, he said. Spelling lagged behind the rest, but still above the national norms.

Seifert said the high system-wide scores didn't surprise him a bit, because of the effort put forth by the administrators and faculty.

However, he said he felt it had reached the point where achievement results were the important thing, and that kids "got lost in the shuffle."

He said he is now taking steps to look at the "whole student," not just to push basic skills.

That doesn't mean that they'll give up the basics, he was quick to add, but that there'll be more emphasis on programs for the gifted and talented and on the application of basic skills, particularly writing and math.

The committee generally expressed pleasure at the results. An overview follows:

Systemwide Summary

In the Co-Operative Primary Tests, administered to Grades 1 through 3, 22 percent of the sub tests were above the 90th

percentile; 83 percent above the 80th percentile and 100 percent above the 70th percentile.

In the Step II results, administered to Grades 4 through 9, 33 percent of the sub tests were above the 90th percentile; 85 percent above the 80th percentile; 98 percent above the 70th percentile and 100 percent above the 60th percentile.

Co-Operative Primary Results

Listening Sub Tests — Grade 1, 86th percentile; 2, 80th; 3, 97th; Math — Grade 1, 87th percentile; 2, 93rd; 3, 88th; Spelling — Grade 2, 83rd percentile; 3, 71st; Total Writing — Grade 2, 85th percentile; 3, 77th; Word Analysis — Grade 1, 82nd percentile; 2, 92nd; 3, 85th; Reading — Grade 1, 92nd; 2, 80th; 3, 81st; Punctuation and Capitalization — Grade 2, 81st; 3, 77th.

Mosquito Spraying

To the Editor of the TOWNSMAN:

First, my hat is off to the people trying to do something about the mosquito problem in Andover. We lived in Andover for eight years (68-76) and found that after 4-5 p.m., the mosquito reigned supreme. Led by Mrs. Lynch (affectionately known as the "bug" lady) we convinced the town meeting to go for spraying at some number less than \$30,000 per year. The results in our neighborhood was that each

year we moved the "zero" hour up one

hour until you were safe until about 8 p.m.

I personally saw no diminishing bird life, my garden output or other supposed detriments to spraying.

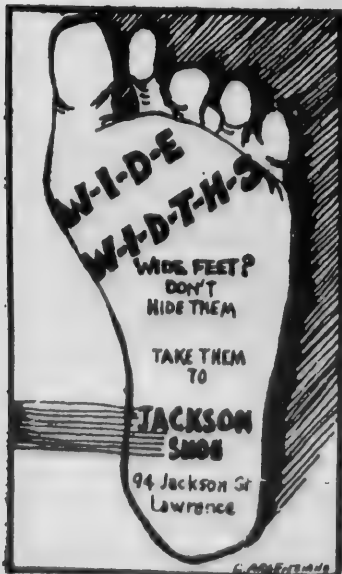

Unfortunately the 74-75 town meeting revoked the spraying and the buys and their nuisance returned in short order.

Spraying may not solve the problem, but for the small cost it sure makes living significantly better.

Hospital Plans Observance

A discussion entitled "The Family Today" featuring Bishop Daniel A. Hart, film showings geared to raise social consciousness and respect life poster, poetry/essay and song writing contest winners will highlight Respect Life Week activities beginning Oct. 4, at Bon Secours

Hospital.

Program activities centered around the "Respect Life" theme are part of Bon Secours Hospital's participation in a nation-wide commemoration by catholic health care facilities of Respect Life Week.

According to Maureen Guglielmino, director of public relations, "the purpose of the week is to reaffirm Bon Secours Hospital's role in insuring respect and dignity for life, given any circumstance, and confirm its dedication to providing health care services designed to address all aspects of human needs. All Hospital activities are designed to promote thought and are open to patient, employee and community participation."

Welcoming Tea For Gardeners

The Village Garden Club of Andover held its first board meeting Sept. 12 and a welcoming tea for new members recently.

The first meeting of the club's tenth anniversary season, a "Get Acquainted Night," was held at the home of Mrs. Brewster Seewald. After a brief business meeting, members listened to Mrs. Philip Baun, an accredited amateur flower show judge, discuss the basic principles of flower arranging. Mrs. Baun demonstrated with a mass arrangement of fresh and dried materials and constructed a fall line arrangement using chrysanthemums and bittersweet.

Hostesses for the evening were Mrs. James Enos, Mrs. Charles Dymek, Mrs. Robert Blanc and Mrs. Ervin Livingstone.

Feature Films At Library

The fall schedule of 8 Feature Films to be held every Friday evening at 7:30 p.m. at Memorial Hall Library, Andover is announced by Sue Hurwitz, coordinator.

Opening on Oct. 6 with Shakespeare's tragedy, "Hamlet" starring Sir Laurence Olivier, Jean Simmons and Basil Sidney, the series will also include "A Streetcar Named Desire" on Oct. 13, "Modern Times" on Oct. 20, "Captains Courageous" on Oct. 27, "Where the Lilies Bloom" on Nov. 3, "Topper" on Nov. 10, "The Grapes of Wrath" on Nov. 17 and "Yellow Submarine" on Nov. 24.

All films are free and open to the general public. Further information may be obtained at the circulation desk or by calling the library.

Choral Group To Entertain

The Andover High School Choral Parents Association will hold an informal coffee and dessert Wednesday, Oct. 4 at 8 p.m. at South Church. Parents of all high school choir members are invited to attend.

The evening is a "Get Acquainted" evening and the choir will perform publicly for the first time this year. Some of the fundraising activities planned for the year will also be discussed, so the choir can once again look forward to a spring concert tour.

Water Trees

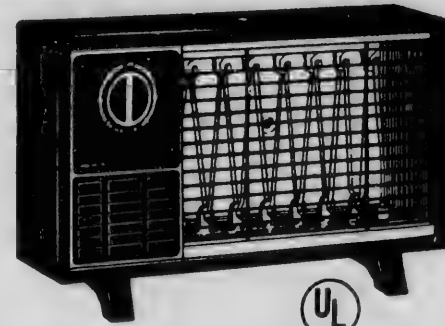

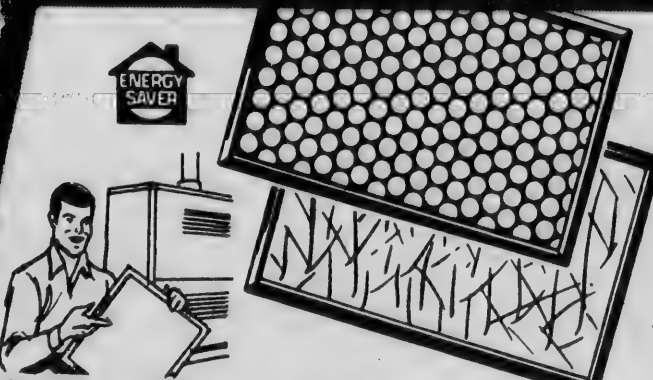

A transplanted tree ten feet or higher should be watered every two weeks, except in Autumn and Winter, because most larger trees cannot re-establish a self-sustaining root system in less than four years, Massachusetts Augubon points out.

Newcomers To Tour Academy

Many interesting and exciting activities have been planned by the Andover-North Andover Newcomers Club this year. The club, which is open to all newcomers to the area, has activities for women during the day and couples activities in the evening.

The club's first monthly meeting will be a guided tour around the campus of Phillips Academy on Tuesday, Oct. 10. The walk will be followed by a luncheon at the Andover Inn. After lunch the group is invited by the academy to view "Here's Andover" which is a multimedia triphonic slide presentation. Reservations for the luncheon must be made by Oct. 6 with Cathy Huston, 47 Farrwood Drive, Andover.

The first couples activity will be a progressive dinner to be held on Oct. 21. At 7:30 everyone will meet at the Knights of Columbus Hall in North Andover for hors d'oeuvres, then on to homes for dinner, and back to the Knights of Columbus for dessert and coffee. For information and reservations contact Fern Ferry, 15 Old School House Road, Andover.

Newcomers is also planning a Fun in the Hub trip to Harvard on Oct. 5. For more information about these monthly trips to various places contact Jo Satory, 9 Eastman Road, Andover.

Membership in Newcomers is open to all new residents of the two communities. Anyone interested in joining may contact Sandy Carothers, 202 Shawsheen Rd., Andover or Carol Brown, 230 Abbott St., North Andover.

Open Hours Resume

After being closed this summer during construction of a new wing, the Andover Historical Society is resuming its customary open hours. Blanchard House, society headquarters at 97 Main St., will be open to visitors and students Sundays, Wednesdays and Fridays from 2 to 4 p.m.

The opening of the new Purdon Wing will be announced in the near future.

We don't think in generalities, we think in generations.

Most banks design their services to fit most of the people most of the time. You make due. Most the time, we don't. We design them for you. We fit them to your future.

Start small with a simple savings account. Now add a NOW Account. Later, a loan. Pay By Phone.

A mortgage, maybe. And, then a baby. With a little savings account of his or her own.

Before you know it, you're not only a parent, you're a grandparent. How fast they grow. It's funny. At LSB, so does your money.

LSB Regular Savings

It's putting a little away for a lot of different reasons. The difference with us is, we understand you want your savings plan to be different, because everybody's needs are different.

LSB Savings Certificates.

A way to save a lot more and earn a lot more *for it*. Our new eight year 8% Certificate almost doubles your money. 8% for an effective annual yield of 8.45%. \$1,913.44 back in eight years for \$1,000 in now. \$1,000 minimum. Federal regulations provide for a substantial penalty on early withdrawals.

NOW Accounts/NOW power.

Our free checking account that pays you 5% and, now, lets you write out emergency checks for more than you've got in your account. It's saving, checking and, now, bargain shopping made better.

LSB Personal Loans.

The loans that can help you grow. Buy now before you have to pay more later. Loans at a rate so low they don't seem to linger.

LSB Pay By Phone.

One trip to LSB, sign up once and pay your bills.

LSB Mortgages.

Every time we write a mortgage we feel like a friend of the family. Usually, we get to be. We watch the family grow bigger and the house grow better. Growing a lot by owing a little. At LSB that's what a savings bank's for.

LSB Life Insurance.

SBLI life insurance. People overlook it a lot which is too bad because, it costs a lot less.

Andona In Session

The Andona Society began its new season this week with a dinner at the Lanam Club. Enjoying the first meeting of the year are, from left, Laurie Lewis, Alix Driscoll, Carol Gable, Joanne Abramson, Millie Coon, president; Pamela Mitchell, Janet Schroeder, Suzanne McHendry and Barbara Anastasy.

Andona Begins Season

The Andona Society recently opened its busy 1978-1979 season with a tea held at the home of Mrs. Connie Reddington, followed a week later by their annual Fall Dinner at the Lanam Club.

Mrs. Joanne Abrahamson coordinated the tea with assistance from Mrs. Barbara Anastasy and Mrs. Helen Rubenstein. Provisional members officially welcomed at the opening tea were: Mrs. Jane Batchelder, Mrs. Natalie Beigel, Mrs. Vicky Bernard, Mrs. Linda Cloh, Mrs. Mona Calthorpe, Mrs. Janice Cratty, Mrs. Margaret Cronin, Mrs. Ann Guerrera, Mrs. Reeta Horton, Mrs. Mitze Norton,

Buffet Supper

A buffet supper, sponsored by Andover Chapter 187, O.E.S., will be served at the Masonic Temple, 7 High St., Saturday, Sept. 30, from 5 to 6:30 p.m. Tickets will be available at the door.

More people visit the Grand Canyon in Arizona than any other natural wonder in the U.S., according to the U.S. Travel Service.

Mrs. Jean Prugh, Mrs. Sandra Pruneau, Mrs. Linda Schrader and Mrs. Joanne Viotor.

Andona has already begun planning the many projects and functions which enable the society to aid the youth of Andover. Last year the profit from these affairs, such as Clown Town, The Andona Ball, and a Mid-winter Card Party, made it possible for Andona to distribute over \$6000 in scholarships and camperships, as well as giving aid to the YMCA and being able to purchase equipment for the Andover Recreation Department and contributing to the many Andover youth sports activities.

The board of directors for the coming year are Mrs. Mellie Coon, president; Mrs. Pam Mitchell, vice president; Mrs. Carol Gable, treasurer; Mrs. Alix Driscoll, secretary; and the following committee chairmen: Mrs. Laurie Lewis, Mrs. Barbara Anastasy, Mrs. Elke Kappeler, Mrs. Sue McHendry, Mrs. Joanne Abrahamson, Mrs. Jan Schroeder and Mrs. Helen Rubenstein.

Mr. and Mrs. John A. Fall

Fall - Messina

Miss Pamela Jean Messina, daughter of Mr. and Mrs. Joseph Messina, 305 Winter St., North Andover, became the bride of John Arthur Fall, son of Mr. and Mrs. Arthur Fall, 9 Kernwood Heights, Beverly, during an August 20 ceremony in St. Michael's Church, North Andover.

Rev. Luigi Piano officiated.

The bride was given in marriage by her father.

Miss Gina Romano was maid of honor. Miss Debra Ciarcia, Miss Patricia Cashman and Miss Peggy Fall were

bridesmaids.

Alan Zwicker performed the duties of best man, while Stephen Fall, David Fall and Andrew Reynolds ushered guests.

Following a reception in Joe Binette's Chalet, Middleton, the couple left on a wedding trip to Canada.

They will reside in Danvers.

Mrs. Fall graduated from Salem State College, and is a Title-One Teacher in Beverly.

Her husband graduated from Claude H. Patten Trade High School, and is an offset pressman.

La Leche League To Meet

Le Leche League of Andover will hold its second in a series of four monthly meetings on Thursday, Oct. 12, 1978 at 8 p.m. at the home of Mrs. Carolyn Mitchell, 21 Balmoral St., Andover. An informal discussion on "The Art of Breastfeeding and Overcoming Difficulties" will be presented by League Leaders Beverly Jones and Joy Kubit. All interested women are invited and babies

are welcome. Mothers will have an opportunity to share experiences and offer support to one another. La Leche League is a nonsectarian, nonprofit organization dedicated to good mothering through breastfeeding.

Further information is available from Mrs. Lewis Jones 155 Salem St., North Andover or Mrs. Joseph Kubit, 8 Lansbury Lane, Andover.

The Largest

Paris, France, has the largest refuse-burning plant in the world for producing energy: 2,600 tons of municipal waste per day are burned, Massachusetts Audubon notes. Denmark converted 60 percent of its solid waste into energy in 1977; the U. S. converted one percent. The goal in Europe is to solve solid waste problems rather than to make money.

High Holidays At Temple Emanuel

The High Holy dates on the Jewish calendar begin with Rosh Hashanah which this year corresponds to Monday, Oct. 2. The festival begins on the preceding evening, Sunday night, Oct. 1.

The theme of this entire period extending from Rosh Hashanah for ten days and concluding with Yom Kipur, is for people to search and try their ways. In essence, individuals take this time to consider and judge his or her own actions. In the process of self search, one also examines ones role in the overall communal soul.

Judaism teaches that adherents to the faith should never be accused of silence in the face of events which require vocal and spiritual as well as financial and material support. Jewish survival clearly calls for assertion of all issued of vital importance whether they are within the confines of the Jewish community or of importance to the general community in which one lives. But it is imperative that one can distinguish between silence and mere noise and silence and the wisdom of speaking forthrightly and positively.

Atty. Gerald M. Lewis, president of Temple Emanuel, Lowell Street, Lawrence, has announced that this year because of the continued growth of the

congregation, double services will be held on the first day of Rosh Hashanah, on Kol Nidre Eve. and on Yom Kippur morning. A full schedule of services and hours is as follows:

Rosh Hashanah Eve. — Sunday, Oct. 1, Single Service, 8:15 p.m., first day of Rosh Hashanah — Monday, Oct. 2 — Double Services:

Early Service, 8 a.m. and Late Service, 11:30 a.m.

Traditional Eve. Service, Monday, Oct. 2 — Single Service, 7 p.m. Second day of Rosh Hashanah — Tuesday, Oct. 3 — Single Service.

Shachrit (morning service) 9 a.m.; Torah Service, 9:45 a.m.; Main Festival Service, 10:15 a.m.; Conclusion of Service, 12:15 p.m.

There will be a sitting service provided for pre-school age children during the hours of worship. There will also be a special children's service for the first and third graders during the service hours and this service will be conducted by Joseph Goldman of the Temple Emanuel Religious School.

Atty. Gerald M. Lewis, president and all officers and board of directors join in wishing for one and all throughout the

community and throughout the world, that this be a year of health and peace.

Installed As Pastor At South Church

The Rev. Dr. Westy A. Egmont was installed at appropriate services at the South Church on Sunday, Sept. 24, as the 15th pastor of the church.

During the afternoon at a council called by the Andover Association of the United Church of Christ, Dr. Egmont presented a paper to the clergy and lay delegates of the Association. A supper was served to the visitors as well as members of the South Church following the afternoon session under the chairmanship of Mrs. Austin E. Anderson.

At seven p.m. the service of installation was held in the sanctuary of the church in which members of the clergy and lay people participated. Clergy from sister churches in the area including St. Robert Bellarmine and from Temple Emanuel in Lawrence extended greetings and shared in the worship.

Jared S. A. Clark brought greetings from the town of Andover.

The installation sermon was offered by Dr. William Nigel Kerr, professor of Church History and Mission at Gordon-Conwell Theological Seminary and the prayer was presented by the Rev. Calvin P. LeMon, WBZ-TV Religious Programs Producer and Chaplain at Harvard-Radcliffe colleges.

The charge to the minister was given by the Rev. Karl Phillipi, Northeast area

Rev. Dr. Westy A. Egmont

minister for the Massachusetts Conference of the United Church of Christ and the charge to the congregation was made by Dr. Arthur D. Gray, interim minister of the Massachusetts Conference.

Lecture At Center

Sunday, Oct. 1 at 7:30 p.m. The Christian Formation Center will present a lecture, "The Franciscan Charism" with Fr. Francis Walter O.F.M.

Fr. Walter is a member of the Franciscan community at St. Anthony Friary in Catskill, N.Y. In this lecture, Fr. Walter will consider the characteristics of the Franciscan vision of Christian life which has remained such a great influence over the past eight centuries. He will examine what it was that made Francis of Assisi think and act as he did.

Beekeeping

Massachusetts Audubon Society's Ipswich River Wildlife Sanctuary is offering a course for the prospective beekeeper on the hobby of beekeeping. Fall is the time to harvest the honey, prepare the hive for winter and plan for the next season. The biology of the honeybee will be discussed as well as all the practical information a beekeeper needs. For more information, call or write the Sanctuary office.

OBITUARIES

LEONA M. BAXTER

Mrs. Leona M. (Dziadosz) Baxter, 70, 43 Lowell St., Andover, a retired clerk, died Sunday at Lawrence General Hospital.

Born in Lawrence, Sept. 29, 1907, Mrs. Baxter was employed as a clerk with the Andover Companies insurance offices in Andover for 17 years before retiring in 1973. She was a member of St. Augustine's Parish of Andover. Mrs. Baxter also was a member of the Shawsheen Village Women's Club.

Survivors include her husband, James G. Baxter; a son, James G. Baxter, Jr. of Haverhill; three sisters, Stacia, wife of Henry Hibbits of North Andover, Mrs. Emma Sheridan of Lawrence, and Olga, wife of William McDonnell of Lawrence; a grandson and several nieces and nephews.

A funeral Mass was offered Wednesday at 10 a.m. in St. Augustine's Church, Andover. Burial was in West Parish Cemetery.

GEORGE A. BOUCHARD

George A. Bouchard, 88, 256 North Main St., Andover, a retired machinist, died Friday at Lawrence General Hospital after a long illness.

Born in Lawrence, Mr. Bouchard worked as a machinist for the Pacific Mills until his retirement in 1958. He was a longtime resident of South Lawrence until he moved to Andover five years ago.

Survivors include his wife, Edith (Ratcliffe) Bouchard; two sons, Ralph Bouchard of Forest Park, Ill., and George Bouchard of North Andover; two daughters, June, wife of Thomas P. Eldred, and Edith, wife of Alec Renny, both of Andover; a sister, Lena Conroy of Lawrence; eight grandchildren; and several nieces and nephews.

Graveside services were held Monday in Spring Grove Cemetery, Andover.

Funeral arrangements were under the direction of the Arthur J. Scott and Son Funeral Home, 298 South Broadway, Lawrence.

DOUGLAS M. DUNBAR

A memorial service was held at Cochrane Chapel, Phillips Academy, Andover at 2 p.m. Saturday for Douglas M. Dunbar, 85, retired faculty member of the Academy, who died Sept. 20.

Mr. Dunbar was a native of Meadville, Pennsylvania. He graduated from Allegheny College in 1915, and later was awarded an honorary degree from Allegheny for his service in the field of education.

He taught at Cheshire Academy until 1942, at which time he came to Phillips

Academy as a teacher of mathematics, Bible, and German. After his retirement in 1958 he continued to teach at the Pike School in Andover, and finished his career of service as Executive Director of the International Institute in Lawrence.

Mr. Dunbar was a veteran of World War I, serving in the Army for two years with rank of 1st Lieutenant.

He leaves his wife, the former Mary Cowing, two sons, Dr. Douglas M. Dunbar of Exeter, New Hampshire, and five grandchildren.

Memorial contributions may be made to Allegheny College, Meadville, Pennsylvania.

Special Classes Offered

At the request of numerous parents and teachers, the Department of Community Services is offering several "Special Needs" classes and activities. Unfortunately the response has been nominal and these programs will be cancelled if more people do not register.

The department has tried to avoid descriptive labels to define this population. However, in order that parents and teachers may be able to identify more specifically whom we are referring to, we use the following Andover Public School program titles: moderate instruction will be geared toward this level. Potpourri (ages 7-14) offers a variety of learning experiences including basic cooking skills, music, creative movement, drama and crafts. It is Saturday 10:30 a.m.-12:30 p.m. for 8 weeks.

Novelty Track and Field Events is a one time activity of light competition including shot-put and javelin throw, paper plate discus, soccer kick, foot contest and more. The date is Oct. 8, 9:30 a.m.-12 noon.

There will be a Pizza Party on Friday, Oct. 20, 4:30-6:30 p.m. Participants will make pizzas from start to finish.

Exercise and Dance (ages 14 and up) to help develop awareness of self through creative movement and dance. This is open to males and females and will include some social dancing. It is held on Wednesday, 7-8:30 for 8 weeks.

Bowling is held at the Andover Lanes every Friday from 3:30-4:30 p.m.

Future events include a Harvest Ball on Friday, Nov. 24 and Christmas Decorations and Ornaments on Monday,

Dec. 11.

Anyone wishing to sign up, make suggestions, offer constructive criticism or obtain more information should contact the department.

Speaker At St. Robert's

St. Robert Bellarmine religious education board announces the featured speaker for the once a month alternative Sunday program for high school students on Oct. 1, Fr. Richard J. Shmaruk.

The program will commence with Mass for the youth at 5:30 p.m. followed by a presentation on "The True Test of Witness".

Fr. Shmaruk, associate pastor of St. Camillus church, Arlington-Belmont, served as assistant director of the National Shrine of the Immaculate Conception, Washington, D. C. from 1974-1976. In the Archdiocese of Boston, he also served as associate pastor of St. Agnes church, Middleton and St. Paul church, Harvard Square, Cambridge.

Fr. Shmaruk was ordained by Richard Cardinal Cushing in 1965 and was appointed by him to the Archdiocesan Ecumenical Commission two years later. He became a charter member and a member of the first executive board of the Massachusetts Commission on Christian Unity, a statewide interdenominational body officially representing each of the religious jurisdictions in Massachusetts in 1968.

In the late 60s he was appointed director of the Northeastern Ecumenical Encounter for Youth, a study - formation program for high school students, Catholic, Protestant and Orthodox.

He has a Master of Arts degree in Sacramental Theology and was a member of the faculty of Marian Court School,

At Bay Path

A graduate of Enfield (Connecticut) High School, she is enrolled in Bay Path's Executive Secretary Program leading to an Associate in Science degree.

Swampscott from 1966 - 1968.

Fr. Shmaruk is contributing editor and columnist for the Priest, a national magazine for clergy published in Indiana. He also writes columns published in The Pilot, Boston's weekly Catholic newspaper and writes news analysis columns for The National Catholic Register. He has contributed columns for The Boston Globe and a number of other publications.

He is a member of the National Press Club in Washington, D.C. the Catholic Press Association, the International Platform Association and the National Academy of Television Arts and Sciences.

Eight At Dartmouth

Eight students from the Andover area were among the approximately 1,050 students entering the freshman class as Dartmouth College began its academic year in September.

Dartmouth, the ninth oldest college in the United States and the northernmost of the Ivy League institutions, operates on a four-term, year-round system. All four terms are equal and all entering students are required to attend at least one term in four years during the summer.

They are Lee S. Apgar, son of Mr. and Mrs. Apgar of Phillips Academy; William E. Best, son of Mr. and Mrs. George Best also of Phillips Academy; Debra A. Dilorio, daughter of Mr. and Mrs. John Dilorio of 32 Karlton Circle; Thomas D. French, son of Mr. and Mrs. Alan French of 17 Moreland Road; Paul D. Keefe, son of Mr. and Mrs. Leo J. Keefe of 15 Robandy Road; Raymond P. Kelly, son of Mr. and Mrs. Raymond Kelly of 16 Brady Loop; G. Warren Patterson, son of Mr. and Mrs. George Patterson of 75 Cheever Circle, all in Andover; and Kirk G. Siegel, son of Mrs. Lois L. Siegel of 16 Edgelawn Avenue in North Andover.

Warriors Scalp Redmen, 18-2

By Ben Bram

The Andover High School Golden Warriors soundly thrashed the Tewksbury Redmen 18-2, Saturday afternoon.

The Andover team traveled to Tewksbury as slight underdogs, and returned home as overwhelming victors. Tewksbury, which narrowly lost to Superbowl Champion BC High the week before, was completely dominated by the charged-up Warriors. This extraordinary game contained three safeties, which is not a frequent occurrence.

The big story of the game was the heady performance by junior quarterback Tommy Walsh. Walsh started in place of regular quarterback Manny Silva, who was sidelined with a shoulder injury. Silva kicked the extra points Saturday, and should be in shape to start against Wilmington this week.

Early in the game Tewksbury committed many errors that proved costly as the game wore on. In the first half the Redmen were never within the Andover 49 yardline, as the Andover defense kept them deep in their own territory. The Warriors' offense capitalized on Tewksbury's misfortune for 18 points, all in the first half.

Senior Paul Farnham took the opening kickoff to Andover's own 38 with a 23-yard return. On the first play from scrimmage, Ray Lynch ran the ball for nine yards up the middle. Melvin Berger got the first down on a three yard sweep along the sideline. Walsh then ran the ball nine yards down to the Redmen's forty-one yardline. Walsh then threw a screen pass to Berger for a seven yard gain, and another firstdown at the Tewksbury thirty-four yardline. After three unsuccessful plays made it fourth and thirteen, Dave Nardone punted the ball down to Tewksbury's own twelve yardline.

The Warrior defense held the Redmen within their own 20, and got a break when Tewksbury attempted to punt. The snap sailed over the punter's head and rolled out of the endzone for an automatic safety.

Late in the first quarter the Andover defense stopped Tewksbury sophomore Tom Horgan on a fourth and one at the Warrior's forty-nine yard line. On the next play, Walsh connected with Farnham for a thirty-six yard pass play, that brought the ball to the Tewksbury fifteen yard line. Lynch then broke a series of tackles to get a first and goal at the five yardline. Eddie Collins ran through themiddle to the two, but a loss and an off-sides penalty made it fourth and goal to go at the six. Instead of settling for a field goal the Warriors went for the touchdown and failed.

After the Warrior defense stopped Tewksbury at the eleven yardline, the Redmen set up to punt again. This time the snap was good but junior safety and split end Jim Stamas tackled the punter in the endzone to give Andover a 4-0 edge.

The Warriors had another chance midway in the second quarter when passes to Lynch, Nardone, and Farnham gave Andover a first and goal at the eight. After Nardone ran for five yards, the drive stalled and the Warriors failed to score on a fourth and goal at the one.

Eluding A Tackle

Tom Walsh, junior quarterback for the Golden Warriors, put on a brilliant display in a backup role last Saturday filling for injured Manny Silva in the Warrior win over Tewksbury. Here, Walsh scoots for a good gain, eluding the Redmen's Sid Jenkins in the process.

Tewksbury ran the ball to their own twenty-two yardline before punting. Farnham received the punt and dazzled the Andover fans with a spectacular 31 yard punt return. He then made a circus catch of a pass that Walsh had to release quickly. A pass interference call against Tewksbury moved the ball to the four and Dave Nardone bulled his way in for the

Lets Talk About Seeds, Grains & Nuts

Seeds, grains and nuts are gold mines of minerals, especially calcium, phosphorus, magnesium and iron. They contain most of the vitamins particularly A, B, and E, as well as nature's best source of unsaturated fatty acids and lecithin. They are also an excellent source of protein.

From seeds and grains comes the spark of life itself, the germ vital to mans life and health.

The Earthfood Store carries a wide selection of seed, grains and nuts.

first touchdown of the game. Manny Silva's kick made the score 11-0 Andover.

On the next play from scrimmage Senior Mark DeFranco intercepted an errant pass thrown by Tewksbury's sophomore quarterback Dennis Vecchi. DeFranco ran the interception back 30 yards to the Tewksbury 30 yardline. After an incomplete pass, Walsh connected with Collins for 7 yards, and Nardone for 12 to move the ball to the eleven. A six yard sprint by Berger made it second and four. A penalty against Andover for illegal procedure moved them back five yards. On third and nine, Walsh stood tall against a strong Tewksbury rush to toss a short pass to Eddie Collins. Collins took the pass, swung around, and shifted into overdrive as he sped past all of the defenders for the touchdown. Silva made the kick good to account for the last of Andover's eighteen points. The Warriors went into the dressing room at halftime with a commanding 18-0 lead.

The Redmen took the opening kickoff of the second half and drove to the Warriors' eighteen yardline before Dan Grams intercepted a possible touchdown pass at the three yardline.

The furious pace of the first half was not sustained, and play slowed down to a standstill for almost the rest of the second half. Neither team could move effectively until the last five minutes. Tewksbury picked off a pass from Walsh and ran it back to Andover's ten yardline. The Redmen drove the ball downfield to within one yard of a touchdown. On fourth and goal Tewksbury Sophomore Bob Byrd was stopped by the middle of the Andover defense at the line of scrimmage.

When the Warriors efforts to move the ball from deep in their own territory were

unsuccessful, Walsh intentionally ran backwards out of the endzone for a safety. The motive behind this wiley move was to eliminate the possibility of a Tewksbury touchdown with just three and a half minutes left in the game.

Andover completely dominated the home team with a balanced offensive attack and a strong performance by the shored up defensive line.

Junior Tom Walsh played very well and didn't lost his cool at any time during his first start. He passed well, making only one mistake, and was the team's leading rusher with forty-three yards. The two senior backs Eddie Collins and Ray Lynch played consistently well with good running and blocking on offense, and made some important tackles on defense.

End Paul Farnham showed why he was all-league last year, and has a good chance at being All-Scholastic this year. Junior backs Melvin Berger and Dave Nardone ran well catching a couple of passes. Nardone also played well on defense with one interception and many tackles. The combination of good performances by the defensive line and by the secondary shut down the Tewksbury offense. Defensive captain Len Driscoll played another fantastic game at middle linebacker. The team would like to play up to this level of excellence next week, when they host the Wilmington Wildcats.

Last year Andover beat Wilmington on the last play of the game, with a long bomb from the then senior Dan Welsh to classmate Ricky Collins. The Warriors will have their work cut out for them to beat Wilmington on Saturday, in what should be a close and interesting contest.

Gain Town Tennis Titles

All final rounds of the 1978 Department of Community Services Adult Tennis Tournament were recently completed and there were some surprises in both the women's and men's matches.

This year's tournament had ten categories of competition. Skill levels were divided into novice/intermediate and advanced classes.

In the novice/intermediate class, Barbara Clark defeated Nicole Romito (6-3, 3-6, 6-3) to take the women's singles championship. David Adler beat an exhausted Harry Mintz in the men's novice/intermediate singles by winning two out of three sets with scores of 6-4, 3-6, 6-2. The runner-up, Harry Mintz, had to play a marathon semi-final match earlier in the day (lasting almost three hours).

In women's novice/intermediate doubles competition, Rose White and Gigi Hechery handily defeated Nicole Romito and Paula Long by scores of 6-2, 7-5.

In men's doubles, it was the team of Richard White and Cyril Bates over Robert Graff and Richard Roycroft by the convincing score of 6-4 and 6-1.

Finally, in the novice/intermediate mix-

ed doubles final match, Susan Anderson and John Roberson, surprised the team of Joe Sweeney, Sr., and Joan Bellissimo by taking the crown in two straight sets 6-2, 6-4.

In the advanced class, Julie Morse topped Chryse Dow in the women's finals. In the women's doubles it was Julie Morse once again, along with her partner Rosalee Niceforo, defeating Mary Smith and Joanne Accomando.

The men's advanced singles presented some of the finest tennis of the tournament as Barry Malitsky fought his way through some very tough matches to take the men's singles championship (6-00, 6-4). Runner-up in the men's advanced singles was Evan Brodie.

In men's doubles, Bob Sedgwick and Alex Palmer came from behind to surprise Barry Malitsky and Barry Gediman (4-6, 6-3, 6-4) in the semi-finals and then won the finals by default as R. Jeffrey Riotte and Hal Crowley could not make it to their last round match. Finally, in the advanced mixed doubles finals, Harry Church and Carol O'Connor soundly defeated Alex and Wendy Palmer by scores of 6-2 and 6-3.

Harvest Festival

On Saturday, Oct. 14 from 10 a.m. to 5 p.m. the Greater Newburyport Chamber of Commerce is sponsoring the fourth annual 'Fall Harvest Festival.' The historic Inn Street Mall will be filled with the delicious aromas of apples, cider, baked goods, and fresh farm produce. Local farms and grange groups will bring the best of this year's crop. Pumpkins, squash, apples, everything to remind us of Autumn in New England. Newburyport arts and crafts people and local merchants will have tables of Fall nature crafts, jewelry, pottery, stitchery, and plenty of decorations and gifts for the early Christmas shoppers.

Asks Rezoning For Historic Home

Plans are underway for the restoration of one of Andover's oldest houses aimed at preserving its historical integrity.

Attorney Reginald L. Marden of 4 Park St., Andover, the new owner of the Jonathan Swift House as 23 Central St., plans to restore the structure in keeping with the history of the building since its construction in 1795 and will seek rezoning of the property at the October town meeting.

The Jonathan Swift House, according to a study published by the Andover Historical Commission was originally owned and built by Jonathan Swift and then passed to his widow, Silence, who died in 1817. It was then purchased by Dr. Nathaniel Swift who was a coroner and also used the home as a post office until 1828. Since 1952 it has been used as a two family home.

Built in the Georgian Colonial style, the house contains eight fireplaces, wide plank flooring and original large forged hinges. The hand hewn timbers are held together by wooden pegs and are visible in the attic area.

Atty. Marden said that he hopes to restore these and the many other features of the house that have deteriorated, been covered or lost over the years and would include both interior and exterior renovations. He said the restored structure will include accommodations for his

Proposed For Rezoning

law offices.

There is a warrant article before the October Town Meeting to rezone the property from Single Residence to General Business District. Marden said: "this reclassification involved moving the zon-

ing line from one side of the lot on which the house stands, to the other. Permanent restrictions will be recorded at the Registry of Deeds so that when the property is rezoned, the only permitted uses will be professional offices or single family

dwelling. Steps are also being taken to have the property designated an historic landmark to insure the preservation of the building's structural features."

Due to the location of the property and the surrounding uses, Marden said that he was confident that the Town Meeting would approve his proposal as a means to insure the continued maintenance of an historically and architecturally significant property.

Lyons, Wragg

(Continued from Page One)

The two committeemen presented their case to the Superior Court which found in favor of the town not paying their legal fees, while adding that it was unfortunate that the town was not able to indemnify them.

Subsequently, Town Manager Jared S. A. Clark has made offers and met with the Finance Committee to obtain funds to settle the case, offering Regan a certain sum, and partial payment of the legal fees incurred by Lyons and Wragg.

Mrs. Lyons feels that amount being offered is insufficient, and, in fact is only half of the total amount of funds expended by her husband and Wragg in their defense.

Mrs. Lyons notes that Olesen has had in the vicinity of \$8,300 to \$8,400 paid in his defense. Regan is being offered in the vicinity of \$6,000. Lyons and Wragg are being offered around \$6,000 for costs which amount to in excess of \$12,000.

She feels this is "adding insult to in-

jury," noting that her husband and Wragg are seeking only funds for the legal fees, and nothing with regard to personal attacks and property damage incurred by them following the decision.

Town Manager Jared S. A. Clark said that the offers being made were in effort by the town to settle the entire case without judging the merits of the proceedings, by the town.

The reason that the town is not offering to pay all legal fees incurred by Lyons and Wragg is based on the fact that not all were approved by the town.

Clark said the charter provides for the appointment of counsel by the manager and that the two had not accepted the lawyer appointed by the prior manager.

The manager further said that the effort was being made in view of all new parties in the town's administrative structure. Regan is no longer in the area (employed in a California school system), the actions were those of the prior manager in appointing counsel, and both the makeup of the selectmen and school committee has changed.

Clark said that it was the hope to put the

case "behind us" and not settle the matter on any issues involved, that the various offers were made.

Meanwhile Mrs. Lyons will appeal the case to the selectmen on Monday.

Mediator Assigned

The Andover school administrators, Local 380 of the Teamsters Union and the school committee will go back to the bargaining table Oct. 19, with a mediator to guide their contract dispute.

Angelo Collela has been assigned to mediate by the State Board of

Mediation and Conciliation.

The session will begin at 7 p.m. in Stowe School.

The two sides had agreed to a percentage increase over the next three years, but negotiations broke down over allocation of the percentage to individual administrators.

It was Andover's own Catch-22.

Many people who called the Andover School system's new central number last week had the feeling "you can't get there from here."

School personnel who had bothered to learn the new central switchboard system made transfers with a doubting "good luck," and one administrator's secretary at the high school reported that she had to go looking when a bell rang because she didn't have a phone.

Practically anyone who called had his own weird experience to relate, while the Free Christian Church was inundated with school calls. The new school number is 470-1700, while the church is 475-1700.

But this week, things are much improved.

Supt. Kenneth R. Seifert says most of the bugs have been worked out, and he promises that "the technology is there for a very fine system if we can get it lined up."

He attributed many of the early problems in the system, which was touted to be more efficient and less expensive, to lack of internal communication at the telephone company.

He said that the service people had been on top of the situation, but that the technical people inside had not been processing changes as appropriately as

they should have. He says a meeting with telephone officials has improved things considerably.

Business Manager Edward Maguire reports that all school personnel have had instruction in the new system at least once and many twice, and that new night lines have been installed in the schools so people working late or attending night meetings can be reached in emergency.

The central switchboard is open until 5 or 6 p.m., with the night lines taking over at that point.

The new night numbers are:

Andover High	470-1700
Bancroft School	470-1701
Sanborn	4470-1702
Shawsheen	470-1703
South	470-1704
West Elementary	470-1705
East Jr. High	470-1706
West Jr. High	470-1707
Doherty	470-1708

A night phone at Stowe School is expected to be installed in a matter of days.

While the Recreation/Community Schools office remains in the second floor of Stowe School, that department is not connected to the school switchboard and continues to have its own outside number.

CVS To Renovate Front

The front of CVS pharmacy on Main street, will be renovated to be more in keeping with the character of the downtown area.

Construction officials for the drug chain, after meeting with the Central Business District committee, have agreed to change the front of their existing property as they expand their operations to the former Dame Shop.

Peggy Keck, planning board representative to the CBD committee, said that CVS officials were very agreeable to making the changes, and, in fact were desirous of working with local groups to keep their stores in conformance with what a community desires.

Mrs. Keck said that the group met with Moe Morrisette, construction manager

for CVS in August at which time Andover representatives expressed their displeasure over the aggregate, or pebblestone front placed on the building.

CVS people asked what the local wishes were and plans were submitted by Phillip Herr, planning board consultant.

The CVS engineers returned with a plan which provides for a brick front to replace the present exterior and the general theme to be carried out as they extend their property along the Main street.

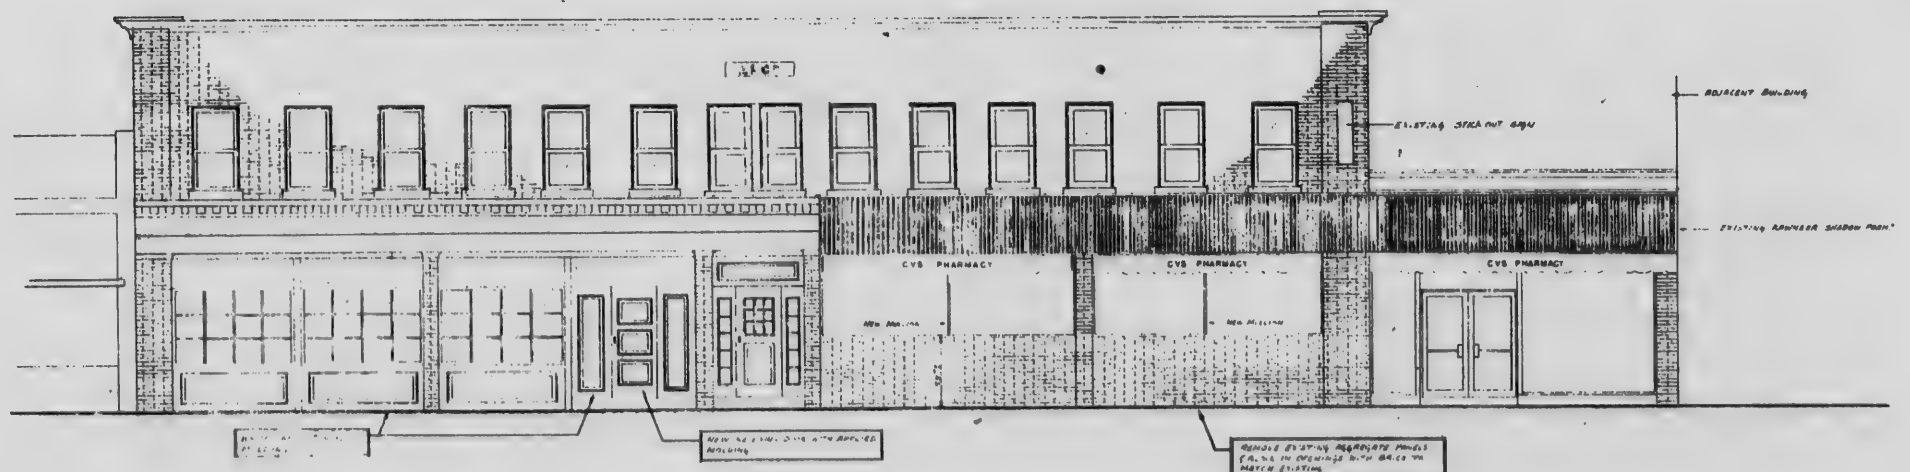

The extension of the business had included plans to continue the present material on the front of the additional area.

Now, the overall front will be altered, with some consideration also to be given to the type of signs to be placed on the building.

Mrs. Keck explained that this effort is the first of a hoped-for effort to have changes in the central business district conform to the character of the community.

She explained that the effort is a type of design review, which while not mandatory would review plans for the additions or alterations in the CBD area and advise as to what the town might desire.

Serving with Mrs. Keck on the CBD committee are Frank McBride, Chamber of Commerce; Luke Pfeiffer, Center Merchants; Sue Tucker, industrial development commission; Sue Sullivan, League of Women voters and Archibald MacLaren, architect and downtown businessman.

Access Road Dilemma

Among the items which hopefully will not be victimized by the gubernatorial election results of a week ago, is Andover's chances at obtaining an access road to the Lowell Junction Industrial area off Route 93.

Local and state officials have been meeting on the subject for the past few months and prospects began to be brightening for the access to the industrial land, which will ultimately provide relief for Ballardvale residents.

Gov. Michael Dukakis and his cabinet had been impressed with the developments in Lowell Junction and, based on studies, and other available statistics, as late as mid-September, seemed to be making some overtures toward assisting not only Andover, but Wilmington and Tewksbury in getting a proper access to the industrial properties in that area.

We are hopeful that the effort will continue, since there is now more than just the possibility of a new road in the area at stake.

Instrumentation Laboratories of Lexington, which has indicated its intent to locate in Lowell Junction and obtain some 50 or more acres, is in need of knowing where and if such a road is to be built.

One of the areas outlined in the planning for a new road into the area, would have a bearing on the company's future development plans.

Should the state decide that this route is the feasible path to follow, it might have to alter its current plan which calls for up to six buildings on the plot which is

just north of the Gillette plant. It could also effect the placement of its initial building consisting of over 200,000 square feet and on which construction could begin soon.

There are alternatives to this access road plan, including the possibility of a service-type road into the area off the interstate highway.

The service road might have some drawbacks due to the possible backup of traffic at peak periods, but, from all observations, this would be within the industrial property itself.

We view the access road item as maintaining a top priority status even in view of a change in state government being in the offing.

The need is apparent.

There is potential for 3,000 jobs in the area. This traffic combined with trucks which are necessary to the conduct of business here, needs some place to be moved.

It should be apparent that access from Andover roads (through Ballardvale and over River street) or Wilmington (Route 125 to Ballardvale street) are inadequate to handle the traffic now, let alone when the industrial area reaches its full development.

Not only is a commitment needed for an access of some sort, it is important that a decision be made soon, since a major industry is awaiting that decision.

Hopefully the effort started this summer, accelerated this past month, will not be deterred, delayed or put over to another administration to consider.

Down The Years With The Townsman

75 Years Ago — September, 1903

Next week the stores in town will commence their winter schedule of hours, opening on Tuesday, Thursday and Saturday nights. McLawlin's Hardware has already begun the new hours, opening this week on Thursday and Saturday nights.

H.F. Chase has secured the contract to furnish the Tiger football team with uniforms for this season. The Tigers will hold a benefit dance in town hall tonight and is also looking for games with opposing teams. Weight limit is 135 pounds.

C. Henry Brownell of Salem Street who until recently has been employed by the Boston and Maine railroad repair shops in South Lawrence, has accepted appointment as the rural delivery mail carrier for the second route in town. His district will include West Parish, Ballardvale and the Scotland district.

Rapid progress is being made on the McKen Memorial building at the academy. The second floor is being placed this week by local contractors Hardy and Cole.

The Democratic Town committee has

opened offices in Carter's block. The headquarters will be open Tuesday, Thursday and Saturday evenings.

50 Years Ago — September, 1928

Mrs. George Whiting, state president of the PTA, will be the speaker at the first meeting of the Richardson School PTA in Shawsheen Monday night. There will also be a short film on "Historic Cape Cod," shown.

Alan R. Blackmer, instructor in English and head coach of basketball at Phillips Academy, has resumed his duties at the school after an absence of a year during which he visited Europe.

Garfield S. Chase has announced fare increases for the Eastern Mass. line. The one-dollar, 16-ride ticket will now be usable on only eight rides.

Atty. James Eaton with a card of 82 won the best gross at the Andover Country Club annual windup tourney and banquet Wednesday. Maurice Curran, Jr., won low net with a 67.

At the suggestion of Mervin E. Stevens, teacher at Punchard, a dramatic club has

been formed, with William Crowley, Jr., president; James Sullivan, treasurer and James Scobie, secretary.

10 Years Ago — September, 1968

The apathy of responsible citizens toward their government is one of the chief menaces to our democracy, Lt. Gov. Sumner Whittier tells members of the Andover Service club at their first meeting of the year at the Log Cabin.

Quarterback Jimmy Adams and Paul Whitley, who scored three times, led Punchard to its opening win of the season, 33-6, over Wilmington.

The new municipal parking area, opened this week, is becoming most popular among shoppers, with a daily increase in use of the facility.

High School Principal Lindsay J. March, has been elected president of the Massachusetts Secondary School Principals' Association.

New badges have been received by members of the fire department, with the number for hats and coats being issued in order of seniority.

For Those Of Us Who Are Older

Is there some special trip you'd like to take or an exciting place you have always wanted to go? The Andover Haven Associates will hold a meeting Tuesday, Oct. 10 at 1:30 p.m. at The Haven to form an "Over-Night Travel Club," the members of which will determine the when and

where of future trips. All Andover senior citizens interested in traveling with the group from The Haven are invited to attend the meeting and bring with them any and all ideas of those special trips you'd like to take. Tuesday, Oct. 10 at 1:30 — in The Haven.

Got a birthday in October? The regular monthly birthday party will be held at The Haven Oct. 4 at 2 p.m. If you have an October birthday, let The Haven staff know so you will be included in this special party. Everyone is welcome to come, but this time October people will be special.

On October 55 at 2 p.m., William Russell, Andover's assessor, will speak at The Haven on the new laws concerning tax abatements. You should be there.

October 10 Memorial Hall Library will show the film "West Side Story" at The Haven at 2 p.m. This

full-length feature film is part of the Library's great film series. It is free.

There are still reservations available for "The Sound Of Music" at Chateau deVillie dinner theater Oct. 18. The bus leaves The Haven at 10:30 a.m. and returns about 5 p.m. and the tickets include dinner, transportation and the performance — all for \$11.50.

There are not many spaces left for the Oktoberfest, Oct. 30. The day's outing costs only \$7 and includes a smorgasbord luncheon and a tour of the Anheuser-Busch brewery. You will see the famous Clydesdale horses and oxen used to pull the old draft beer wagons, as well as other interesting sights. Don't be disappointed. Make your reservation today.

The Annual Greater Lawrence Councils on Aging Recognition Dinner will be given at the Voke

School Oct. 26 — a Thursday evening. Tickets are available now at The Haven and cost \$1.50.

Everyone who enjoys the hot lunches at West Elementary School is always welcome, but those who come without having notified The Haven in advance are not welcome. Please — if you do intend to go to the luncheon, telephone The Haven in advance.

Fireplace Cookery

The fireplace in your home can serve a dual function; one of heating your home and also a place to cook your meals from. Massachusetts Audubon's Ipswich River Wildlife Sanctuary is sponsoring an introductory three session course on cooking with your fireplace beginning Saturday Oct. 21, and continuing the next two Saturdays from 9-12 noon. The course will cover building

and maintaining a cooking oven as well as standard fire, how to judge cooking and baking utensils. Pre-registration is required.

WEEKLY SPECIAL

Iran's Troubles
Threat to Peace

WASHINGTON — A dangerous threat to peace is boiling in Iran. Here are the grim facts:

The Western world is absolutely dependent upon the Persian Gulf for oil. Iran, with its \$36 billion army, dominates this strategic corner of the globe. Every oil tanker leaving the gulf must sail through the Strait of Hormuz — right under the muzzles of Iranian guns.

It would be a disaster for the West if Iran fell into hostile hands. Yet today, Iran is in turmoil. The shah is losing his grip on the government. Intelligence reports warn that the Soviets are exploiting the situation.

One report tells of dozens of Soviet KGB agents operating in Iran. They reportedly are stirring up some of the dissidents.

The overthrow of the shah by a pro-communist coup would be unacceptable to the United States. Almost certainly, the United States would be forced to take moves to protect its Persian Gulf oil supply.

"Threats to the continuous flow of oil through the gulf," said one Senate expert, "would so endanger the Western and Japanese economies as to be grounds for general war."

The shah has been one of the world's most oppressive rulers. He has used terror and torture to keep his people under control. Amnesty International, the respected human rights group, has concluded: "No country in the world has a worse record in human

rights than Iran."

Yet American leaders have pampered the shah. Henry Kissinger, the former secretary of state, used to write him such flattering letters that they were embarrassing. The Carter crowd has been no different. President Carter has condemned human rights abuses around the world. But he has used extravagant words to praise the shah.

Of course, American leaders have been courting the shah because of Iran's oil reserves and strategic location. But in pampering the shah, Washington has alienated the Iranian people. Now the people are rising up in wrath against the repressive and vainglorious monarch.

Officials in Washington have bet everything on one man. Now, he is beginning to falter. Without the shah, the United States may be without a friend in this important region of the world.

Meanwhile, the State Department has quietly set up a "working group" to monitor the day-to-day situation in Iran.

Bureaucratic Maze: It is difficult for an outsider to find his way around the marble maze of government. The bureaucrats are likely to lead him in dizzying circles.

A typical experience occurred recently when we learned that the National Institute of Education planned to hold a 10-day conference at the Sheraton Hotel in the Cape Cod resort town of Falmouth, Mass.

The institute intended to spend nearly \$100,000 of the taxpayers' money, we were told, for the care and feeding of 30 educators and a few staff members.

First, we inquired at the institute. We began at the director's office and politely asked for the details about the Cape Cod conference. The director's office directed us to the testing office. The testing office directed us to the press office. The press office directed us back to the director's office.

Eventually, we encountered an indomitable bureaucrat named John Mays. We found him in an office mysteriously titled "Special Studies." Mays listened to our questions and then suggested we should also ask what the conference had accomplished. All right, we said, what had the conference accomplished. Mays told us to put our query in writing.

Two weeks later, we received a 40-pound box in the mail. It contained 32 published reports on assorted education issues. There were another 17 technical papers. But the biggest prize was a 600-page book on neural mechanisms in learning.

We searched the box carefully. We found no information at all about the cost or purpose of the conference. We called Mays again. He promised that his press office would contact us.

No one called us, so we called them. The bureaucrats at the other end ex-

plained that the information we sought had been stuck away in many files. It would take too many people and cost too much to retrieve.

That was three weeks ago. The Cape Cod conference is over, and it is too late to save the taxpayers the \$100,000 that was spent there.

More Maze: Not only does it take a lot of time to unsnarl bureaucratic red tape; it also costs a lot of money. The average homeowner, for example, pays an extra \$100 a month on his mortgage to cover the expense of the red tape.

Three separate studies show that all the applications and licenses which the government requires for home building add an average of 20 percent to the monthly mortgage payment.

One contractor reported that he was required to contact 36 different offices, file 12 applications and fill out 87 other documents before he could build a housing project.

Headlines and Footnotes: Internal documents of the U.S. Customs Service reveal they have launched a crackdown on Canadian truckers who are hauling freight from point to point within the United States. The truckers have begun altering their log books ... Narcotics traffickers and illegal aliens crossing the Mexican border have begun strapping large foam rubber pads to their feet to obscure their footprints.

To keep lipstick fresh, make sure the cover is tightly closed. If the lipstick loses its moisture it can dry the lips as well. To keep your lipstick's color looking fresh all day, try spraying it with mineral water. This gives lips a dewy, fresh look. If you're out of lip gloss, vaseline or baby oil will do just as well. In fact, you can use either one regularly. They both work as well and are much less expensive. If you break your lipstick, simply heat the two ends over a low flame and press together. Make sure the lipstick is cold before using.

Andover Booters Trip Unbeaten Billerica

It was a fine way for the Andover High soccer team to end a very busy week by defeating last year's league champs Billerica on Monday.

The week started last Wednesday with an away game at Austin. Andover proved the victor playing at Austin's terrible home field but it was a very hard fought and physical game, with not many calls from the refs to keep things in perspective. Austin came on strong at the beginning of the game and really put the pressure to the Andover defense. The only place that it didn't leak was at the goal as Jeff Nicastro made some quick reaction saves to really keep Andover in the game. Later on in the first period Andover came to life as Tom Keeffe had a break away on the Austin goalie and was dumped hard in the Austin penalty area, but there was no call forthcoming and the game continued.

Andover then hit the post and failed to score, but at the end of the first period, after taking a pass from Peter Price, Eric Brandt blasted a fine shot that caught the upper right hand corner of the net beating the Austin goalkeeper cleanly. It turned out to be all that Andover would need or get for the victory. Although the chances were equal for both clubs from there on out, neither team could score. The Andover defense tightened up in the next period thanks to some very tough and inspirational play by Bob Wilkins, who came on to shore things up. Eric Ketzler was a main stay at the halfback position and Steve Luby played very well there also. In the front line David Yates, Gary Cohen, John Kinsky, and already mentioned Tom Keeffe played extremely well although their efforts to score were wasted.

On Saturday morning, Andover turned out to be the perfect host for next door neighbor Methuen, and virtually handed them the victory.

Methuen played a spirited scrappy ballgame and it was enough to carry the day. Andover played well but was unable to put the ball in the net, which is the name of the game. It was not that Andover didn't have the chances, but goalie Chris Childs a four-year starter for Methuen was equal to all the shots but one by Tri Captain Tom Keeffe which came at the 70-minute mark of the 72-minute game. It was too little too late, but was still significant in that it showed the pride and the scrapping spirit in the team as they refused to die right up to the last minute of the game.

Slide Show

Dave McGillivray, a Merrimack College graduate who recently ran from Medford, Oregon to Medford, Ma. (3,452 miles) for the Jimmy Fund, will present a slide show of his cross-country grind Thursday, Oct. 5 at 5:30 p.m. in the Church Auditorium on the North Andover campus.

He will also relate some of the experiences from his 80-day odyssey. Proceeds from the admission charge will be donated to the Jimmy Fund, to help cancer research for children. The general public is invited.

Andover dominated the first two periods with fine shots by David Yates, and Gary Cohen just going wide or high or going brilliantly saved by Childs. But with three minutes to go in the half, Methuen headed home a corner kick unopposed by startled goalie Jeff Nicastro.

As the third period resumed Andover was determined to equalize fast, but not

ner of the net just over the outstretched hand of Rood. Cohen had previously missed on a similar shot by about a foot, but made sure he didn't miss again. Communication was great between the fullbacks and the goalie this day and they all played their best games. Center back Greg Moss was excellent as were wing defenders Andy Powell and Dan Merrigan

who with their rangy stature controlled the air in Andover's penalty area. Erik Ketzler had the unenviable task of covering Bob DiMatteo who was Billerica's high scorer on their league championship team and their Eastern Mass Runnerup team. Erik did a fine job as Bob did not score or

two minutes have gone by and Methuen had notched another score, this a very opportunistic goal, as there was a communication breakdown between the goalie and the fullback. The ball lay untouched in the Andover penalty area for a few seconds and the Methuen player just banged it in the net under a sprawling Nicastro. This goal shocked the Andover team and they were barely heard from in that third period. In the fourth period it was a different story as they came to life again and peppered the Methuen net, and did manage to break the shutout with less than two minutes to go, but could not get the equalizer. It was a very disappointing day for Andover as they felt they were the better team out there but were certainly unable to prove it by the outcome. Playing well in the losing cause were Keeffe, Ketzler, Yates, Cohen, Powell, Brandt, Kinsky and Price. It was a good team effort except for five minutes of mental lapse.

Fate has a strange way of turning around, and just two days later realizing the importance of the game, even this early in the season, Andover came roaring back and put the boot to previously undefeated Billerica. The strange part was that the game was much more equal than Saturday's game but this time Andover came out the one goal winner. The goal came on a fine shot by Gary Cohen as he beat all American goalkeeper Aron Rood on a direct kick from 25 yards out. The shot slipped into the upper left hand cor-

Lecture

The Lowell Museum announces the opening of a new exhibit entitled "Philena Moxley's Embroidery Shop — Something Old and Something New". This special exhibit will be on display at the Museum from October 5 — December 31, 1978.

Who was Philena Moxley? In 1871, this spunky seventeen year old girl obtained a bank mortgage in Lowell and opened a dry goods and embroidery shop. Her embroidery stamps, with original designs, became famous throughout the country.

The Lowell Museum, in celebration of this exhibit and National Needlework Week, will host a special preview and lecture on Wednesday, Oct. 4 at 7:30 p.m. Margaret Cookman, of the Needlecraft Shop, will tell the story of Philena Moxley's career in Lowell and how she became a well-known "embroidery stamper."

No person shall unreasonably hamper, obstruct or impede or interfere with any parade or parade assembly or with any person, vehicle or animal participating or used in a parade.

No driver of a vehicle shall drive between the vehicles or persons comprising a parade when such vehicle or persons are in motion and are conspicuously designated as a parade.

F. Parking on Parade Route

The Chief of Police shall have the authority to prohibit or restrict the parking of vehicles along a street constituting a part of the parade route. The Chief of Police shall post signs to such effect and it shall be unlawful for any person to park or leave unattended any vehicles in violation thereof.

The Chief of Police shall have the authority to cause to be removed any vehicles parking in violation of this by-law.

G. Time and Route

The Chief of Police shall have the authority to set the time and/or the route of any parade.

H. Application

Application for a permit shall be made to the Chief of Police.

I. Late Application

When an application is made after the deadline for applications, the Chief of Police shall consult with the Town Manager before deciding whether to approve or disapprove the application.

J. When an application is disapproved the applicant may appeal to the Town Manager. The Town Manager shall have the final decision of cases, however, no permit will be denied to any group so long as the parade or assembly mentioned in the application does not demonstrably threaten the public safety of the Town.

K. Revocation of Permit

The Chief of Police shall have the authority to revoke a parade permit upon application of the standards for issuance as herein set forth.

L. Exceptions

This By-Law shall not apply to:

- Funeral processions
- A governmental agency acting within the scope of its functions.

M. Fee

There shall be paid at the time of filing the application for a parade permit a fee of \$25.00.

N. Notice of Other Officials

Immediately upon the issuance of a parade permit the Chief of Police shall send a copy thereof to the following:

- Town Manager
- Town Counsel
- Fire Chief
- Director of Public Works.

Such rezoning shall be subject to restrictions on use, recorded at the Essex North Registry of Deeds as provided for in Section VIII (C) of the Andover Zoning By-Law as amended.

On petition of Reginald L. Marden and others.

ARTICLE 24. To see if the Town will vote to add to Article XII of the Town By-Laws the following new section:

SECTION 25. OFFENSES AFFECTING THE ENVIRONMENT.

A. Noise Prohibited

The making and creating of an excessive or unusually loud noise, or a noise which is unreasonable and objectionable because it is impulsive, continuous, rhythmic, periodic or shrill within the Town of Andover as heard without measurement or heard and measured in the manner prescribed in Section B is hereby declared to be unlawful; except when made under and in compliance with a permit issued pursuant to Section I. In proof of a violation of this ordinance evidence of noise heard and measured in the manner prescribed in Section B, which is less than that required for a conviction by use of test or measurement as set out in Section Ba and may be offered to prove a violation of this ordinance as heard without measurement. The time and location of the noise as well as the above mentioned characteristics of noise shall be considered in reaching a decision under this Article.

a. It shall be unlawful for any person to operate or to allow to be operated any type of vehicle, machine, motor, airplane or device or carry on any other activity in such a manner as would be a violation of Sections C, G, H, or other applicable Sections contained herein.

b. Noise occurring within the jurisdiction of the Town shall be measured at a distance of at least fifty feet from a noise source located within the public right-of-way and if the noise source is located on private property, or property other than the public right-of-way, at least fifty feet from the property line of the property on which the noise source is located.

B. Classification, Measurement of Noise

For purpose of determining and classifying any noise as excess or unusually loud as declared to be unlawful and prohibited by this Article, the following test measurements and requirements may be applied; provided, however, a violation of Section A may occur without the following measurements being made:

a. the noise shall be measured on the "A" decibel weighing scale on sound level meter of standard design and quality and having characteristics established by the American National Standards Institute.

C. Permissible Noise Levels

A noise measured or registered as provided above from any source other than as provided in Section J at a level which is equal to or in excess of the db (A) established for the time period and zones listed in this section, is hereby declared to be excessive and unusually loud and is unlawful.

Zone	7:00 A.M. to Next 7:00 P.M.	7:00 P.M. to Next 7:00 A.M.
a. Residential	55 db(A)	50 db(A)

(Continued on Page 38)

b. Commercial: 60 db(A) 55 db(A)
c. Industrial 80 db(A) 75 db(A)
Said zones are defined in the Zoning By-Laws of the Town of Andover, which definitions are incorporated herein and made a part of this By-Law.

D. Adjacent Zones

When a noise source can be measured from more than one zone, the permissible sound level of the more restrictive zone shall govern.

E. Periodic, Impulsive Noises

Periodic, impulsive, or shrill noises are hereby declared unlawful when such noises are at a sound level of five db(A) less than those listed in Section C. of this Article.

F. Railroad Rights-of-Way

All railroad rights-of-way shall be considered as industrial zones for the purpose of this Article, and the operation of trains shall be subject to the maximum permissible noise levels specified for such zone.

G. Vehicles Weighing Less than 10,000 Lbs.

A noise measured or registered as provided above from any vehicles weighing less than 10,000 lbs. in excess of 80 decibels in the "A" weighing scale in intensity shall be and is hereby declared to be excessive and unusually loud and unlawful.

H. Vehicles in Excess of 10,000 Lbs.

a. A noise measured or registered as provided above from any vehicle weighing more than 10,000 lbs in excess of 88 decibels in intensity on the "A" weighing scale shall be and is hereby declared to be excessive and unusually loud and unlawful.

b. Between the hours of 7:00 a.m. and 7:00 p.m., the above decibel levels shall apply to all streets within the Town.

c. Between the hours of 7:00 p.m. and 7:00 a.m., the above decibels levels shall apply only to designated streets within the Town. Traffic on other than designated streets during these hours shall be subject to the decibel level as provided in G above.

I. Hardship Permits

Applications for a permit for other than vehicular traffic for relief from the noise level designated in this Article on the basis of undue hardship may be made to the Town Manager or his duly authorized representative. The noise abatement officer shall make recommendations or comments to the Town Manager regarding hardship permits before any permit is granted. Any permit granted by the Town Manager or his duly authorized representative hereunder shall contain all conditions upon which said permit has been granted and shall specify a reasonable time that the permit shall be effective. The Town Manager is authorized to designate a fee which reasonably covers administrative costs incurred for the issuance of said permit. The Town Manager, or his duly authorized representative, may grant the relief as applied for if he finds:

a. That additional time is necessary for the applicant to alter or modify his activity or operation to comply with this ordinance; or

b. The activity, operation or noise source will be of temporary duration, and cannot be done in a manner that would comply with Sections C. and E.

c. That no other reasonable alternative is available to the applicant; and

d. The Town Manager with the advice of the noise abatement officer, may prescribe any conditions or requirements he deems necessary to minimize adverse effects upon the community or the surrounding neighborhood.

J. Emergency Vehicles Excepted

The requirements, prohibitions and terms of this ordinance shall not apply to any authorized emergency vehicle, when responding to an emergency call or acting in time of emergency. The terms of this Section shall not apply to those activities of a temporary duration, permitted by law and for which a license or permit therefor has been granted by the Town, including parades and fireworks displays.

K. Jacob's Brakes Prohibited

It shall be unlawful for any person to operate what are commonly referred to as Jacob's Brakes in the Town. The Town Manager or his duly authorized representative is hereby authorized to place signs at locations about the Town as he shall deem appropriate; such signs to notify operators of motor vehicles of this Section.

L. Modifications Prohibited

It shall be unlawful for any person to sell, lease, rent or install any device or sell, rent, lease or operate any vehicle, engine, motor or mechanical device with a device which when attached to or placed on any vehicle, engine, motor or any other mechanical device, modifies such vehicle, engine, motor or other mechanical device so as to amplify or increase the noise emitted by it above that emitted by the vehicle, engine, motor or mechanical device in its original factory design. This Section shall not apply to devices sold for racing or pleasure purposes and used outside the Town or in areas properly authorized by the Town for pleasure or racing. It shall be unlawful for any person to operate such modified vehicle, engine, motor or device within the Town and not in a properly authorized area.

Inserted by the Board of Selectmen.

ARTICLE 25. To see if the Town will vote to amend the Zoning By-Laws of the Town of Andover, Section VIII, Paragraph B, entitled "Board of Appeals", by striking out Paragraph B(1) and substituting the following therefor:

1. There is established a Board of Appeals of five members and there shall be also appointed two associate members to the Zoning Board of Appeals. The members of the Board of Appeals and the associates shall be appointed by the selectmen as provided in Chapter 40A of the General Laws. The Zoning Board of Appeals shall be organized and governed by the provisions of General Laws, Chapter 40A.

Inserted by the Board of Selectmen.

ARTICLE 26. To see if the Town will vote to instruct the Town Manager and Board of Selectmen to request the representative from the Town of Andover in the General Court to sponsor legislation requiring the Essex Agricultural and Technical Institute to apportion all costs, both operating and capital, to the municipalities of Essex County on the basis of their respective full-time equivalent pupil enrollments in the Essex Agricultural and Technical Institute.

Inserted by the Board of Selectmen.

ARTICLE 27. To see if the Town will vote to amend ARTICLE IV of the Town By-Laws by adding the following section to Matters Involving Town Monies:

Section 8. Annual Audit.

There shall be an independent annual audit of all books and accounts of the Town of Andover. The Town Manager's appointment of the auditors shall be subject to confirma-

tion by the Board of Selectmen. Funds for said audit shall be a line item of the Town Accountant's appropriation.

Inserted by the Board of Selectmen.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$456,350.00, or any other sum, for the purchase of data processing equipment and appurtenances thereto, and to determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise, or to take any other action relating thereto.

Inserted by the Board of Selectmen.

ARTICLE 29. To see what disposition shall be made of the unobligated balance of funds received by the Town pursuant to Title II of the Public Works Employment Act of 1976 as amended.

Inserted by the Board of Selectmen.

ARTICLE 30. To see if the Town will vote to amend the Andover Zoning By-Law as follows:

AMEND Section IV.B. Table of Use Regulations by inserting the following as new Item 7A:

7A Life Care Facility
(See Section VI.L.)
SRA SRB SRC APT SC OP GB IG IA ID
BA BA BA BA N BA BA N N N

AMEND by inserting a new Section VI.L. to read as follows:

L. Life Care Facility

1. A Life Care Facility may be authorized on Special Permit from the Board of Appeals provided that the Board finds each of the following:

a. The premises contain at least 10 acres.

b. The number of dwelling units for the entire project shall not exceed a density of 12 units per acres, exclusive of the health care facility.

c. The Life Care Facility will not result in more than a 15% increase in any of the following impacts relative to either the level which would result from other uses permitted as a matter of right and feasible on those premises at the time of application, or, if higher, the levels which resulted from uses for which the premises had at any time previously been used. Impacts subject to this limitation are:

1. water consumption

2. sewage demands

3. offsite stormwater flows

4. sound, light overspill, or vibration, each measured at the boundaries of the premises.

d. Traffic generated by the proposed use will not involve substantial hardship and will not be unreasonably detrimental to the neighborhood and the Town.

e. Site coverage by buildings will not exceed 15%, coverage by all impervious surfaces will not exceed 30%.

f. The proposed use will, in the opinion of the Board of Appeals, better serve the Town's interests than would development for uses permitted on the premises as a matter of right under the Zoning Bylaws in effect when the application for Special Permit under this Section L was filed; in making this finding, the Board of Appeals shall give consideration to:

1. impacts listed under paragraph 1.c. and 1.d.

2. fiscal consequences

3. visual impact

4. social needs served

2. Departures from dimensional requirements of Section V may be authorized on Special Permit under this Section VI.L. where doing so facilitates benefits under paragraphs 1.c. and 1.d. and 1.f. above, and is found by the Board of Appeals not to cause shadowing, visual intrusion, or other impacts on abutting premises which will nullify or substantially derogate from the intent or purpose of the Zoning Bylaw.

3. Compliance with site plans and schematic architectural drawings on which the Board of Appeals decision is based shall be required.

AMEND Section II, "Definitions" by inserting the following

Life Care Facility: premises providing dwellings reserved for the elderly with ancillary on-site health care, housekeeping, and meal services on a lifetime contract basis.

Inserted at the request of the Planning Board

ARTICLE 31. To see if the Town will vote to determine if the Town will relinquish any rights it may have in that portion of a sewer assessment as shown on a plan entitled: "Sewer Assessment Abandonment, Town of Andover, Massachusetts, Essex Street to Pearson Street, Scale 1" = 50', August 1, 1978, John Avery, Jr. Town Engineer".

Inserted by the Board of Selectmen.

ARTICLE 32. To see if the Town will vote to raise by transfer from available funds and appropriate a sum not to exceed \$10,000.00 to pay unpaid bills for which obligation was incurred in prior fiscal years.

Inserted by the Board of Selectmen.

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to petition the Legislature to enact a law authorizing the Town to pay bills of (1) the Andover Electric Company in the amount of \$3,835.86 and (2) C. R. Swaney Co., Inc. in the amount of \$4,481.52, which bills were incurred as the result of a misinterpretation of the State Bidding Laws, The School Department has received the labor and materials furnished by the Andover Electric Company and C. R. Swaney Co., Inc.

Inserted at the request of the School Committee.

And you are directed to serve this warrant by posting attested copies and publication thereof, fourteen days, at least before the time and place of said meeting as directed by the By-Laws of the Town.

Hereof fail not, and make return of this warrant with your doings thereon, at the time and place of said meeting.

Andover, September 28, 1978

On The Soccer Fields

By She Livermore

The first and second graders continue to improve their skills as they play a modified version of the game and numerous spectators encourage their efforts every Saturday morning at the Bancroft fields.

In the other divisions, several games were decided in the closing minutes of play which provided much excitement for the many spectators who came out to support the players, as well as enjoy the lovely warm weather. Brief results of last week's games follow:

Division 1

Grade 3/4 Boys (Blue)
Leopards 4 — Lions 0

The Leopards dominated much of the play, although the Lions played a spirited game especially in the first and third quarters when they made several attempts to score. The Leopards scored one goal in each quarter (Matthew Alden, Chris Colsia on a pass from Jamie McKay, David Penney on a pass from John Saalfrank, and Stephanie Kirkland) and won the victory. ESB: David Flanders, Steve Wilson (Leopards) as well as Jeff DiDonato, Chris Drozdick, Jamie Soule (Lions).

Panthers 3 — Bobcats 0

The Panthers took an early lead when Timmy Higgins and Cameron Deery scored goals in the first quarter. The Bobcats worked hard to even up the score but good defensive play thwarted their efforts. The Panthers scored again in the final quarter when Glenn Fortin booted

assist. The job of controlling midfield went to halfbacks Peter Price, Eric Brandt, and John Kinsky. They did an outstanding job with good hustle and fine passing, which Andover will have to stress more in the future. Spot action was seen up front by Tom Wiseman, Dave Schroeder and Jere Kearns, but the bulk of the play was performed by David Yates, Gary Cohen, Tom Keefe and Rusty Serbagi, all of whom played very well in the hotly contested game.

The victory was sweet for Andover as this was the same team that defeated Andover last year one to nothing, scoring in the last fifteen seconds for a heart breaker. Billerica had a golden opportunity to equalize as the ref awarded them a penalty kick about half way through the fourth quarter. The keeper Rood was elected to take it and fortunately for Andover he missed, hitting the crossbar instead of the back of the net. Andover gained four of the possible six points and must continue to play a busy schedule, as they face Lawrence away, Wednesday and then play currently undefeated Chelmsford at home on Saturday before finishing up the first half of the season with St. Johns on the following Wednesday.

Special mention should be given here to ball boys Stephen McDowell and Dean Lockwood who have contributed greatly to the last two home games. They have helped to keep the games moving at a quick pace which the Andover team likes and thereby they have given the Warriors an edge.

Conservation

A new international conservation program comprises whole ecological systems, Massachusetts Audubon says. The Biosphere Reserve System (144 reserves in 35 countries) is made up of large tracts of land where plant and animal life exist without human interference.

the ball into the Bobcats' nets on a pass from Eric Shirazi, and they won the points. ESB: Tommy Cioffi, Billy Scanlon, Casey Pant (Panthers).

Bears 1 — Tigers 1

No goals were scored in the first two quarters with most of the action mid-field as both teams worked hard to gain possession of and control the ball. The Tigers scored in the third quarter when C. J. Kolaski booted one in on a pass from Billy Webber and the Bears made it a tie game in the final quarter when Jamie O'Hara scored. ESB: Kyle Marcella, Matthew Corbett (Tigers) as well as John Pelz, Tres Fromme (Bears).

Grade 3/4 Boys (Gold)
Cougars 3 — Rams 3

In an exciting game which could have gone either way, both teams split the points after scoring three goals apiece. The first quarter was scoreless, all attempts to score being blocked by great goal tending. In the second quarter, Nicky Coon scored for the Rams, soon followed with the equalizer by Mark Duncan. Each team was able to assault each other's nets twice in the second half (Ronnie Forbes, Stephen Redgate for the Cougars and Geoff Bolan (2) for the Rams). ESB: Chris Nelson, Michael Schwartz, Gregg Ruggiero (Rams) as well as Andy Lascher, David Kaplowitz, Scott Friese (Cougars).

Pumas 4 — Jaguars 5

The Jaguars dominated the first two quarters, during which they scored five goals (Joey Seely, Kyle McCabe, Jamie O'Brien (3)). The Pumas were awarded two penalty shots, one of which was blocked by goalie David Clark but had to be repeated because a player was off side! Mark Neaves scored the penalty shots. In the third and fourth quarters, the Pumas played a much stronger game and Mark Neaves booted in two goals; however, they were still one down at the final whistle.

ESB: John Perry, Jeff Leonard, Brian McMahon (Jaguars), as well as Scott Plamondon, Michael Coco, David Doyle (Pumas).

Foxes 4 — Wolves 0

The Foxes dominated much of the play and they assaulted the Wolves nets many, many times. Excellent defensive play by the Wolves fullbacks, as well as great blocking by goalies Scott Powers, Richard Bordelais and Brian Cronin, held the Foxes to four goals, three of which were booted in by Chris Sapuppo and one by Tim Smith on a pass from George Phillip. ESB: Sean Melia, Ross Weaver, Chris Sapuppo (Foxes) as well as Greg Harris, Scott Powers (Wolves).

Division 2

Grades 3/5 Girls

Dolphins 1 — Barracudas 0

The Dolphins dominated in the first quarter of the game and Barracudas goalie Laurie McDonald made some beautiful saves. The winning goal was scored in the second quarter by Meg Wilson. The Barracudas made several attempts to even up the score but were unsuccessful due to some great defensive play by the Dolphins fullbacks. ESB: Cheryl Crawford (Dolphins) as well as

Christine Morey, Jennifer Schroeder, Elizabeth Babulski (Barracudas.)

Sharks 1 — Stingray 0

The first half was scoreless with most of the action midfield as both teams fought to control the ball. The Sharks played a stronger offensive game in the second half and Beth Ostrowski scored on a pass from Amy Guerrero. The Stingray made some good attempts to even it up, but great

goal tending by goalie Ellen Byrnes blocked their efforts. ESB: Fullbacks Shelley O'Brien, Amy Morton, Beth Ostrowski (Sharks) as well as Lisa Abrams, Jennifer Surret (Stingray).

Warrior J.V. Soccer Results

Andover vs. Austin Prep

After an opening game victory versus Wilmington the Andover High J.V. soccer team traveled to Austin Prep for its first road game of the season. Following a slow first quarter Jerry Kearns and Mike Sherman combined to put the Golden Warriors on the board. This provided the only goal Andover would need as the offense continued to apply pressure while Austin was having a difficult time breaking the stong Andover defense provided by goalie Brian Butler and fullbacks Bill Donovan, Andy Kinsky, and Chuck Augello. With Paul Hardy, Jeff Barlow and Dan Donovan controlling most of the midfield play. Andover was able to capitalize later in the second period but were unable to increase the lead. With Kyle Dorsey replacing Butler in the second half in goal, Andover was able to hand on with added support from Jeff Barlow's fourth period goal for a 3 to 0 victory.

Andover vs. Methuen

Following victories over Wilmington and Austin Prep, the junior varsity soccer

team continued its winning ways versus Methuen, 4 to 1 last Saturday at Andover High's field. Expecting an aggressive, scrappy style of play from Methuen, the Warriors came out with an aggressive attack of their own. With Jerry Kearns and Jeff Barlow providing much of Andover's pressure, the Warriors took the play to Methuen. Dave Sherman opened the scoring for Andover as he took a shot and rang it off the post from 10 yards out. Picking up his own rebound, he blasted it home for a 1 to 0 lead five minutes into the second period. Sherman again got Andover rolling later in the period as he set up Jerry Kearns from 8 yards out. With strong defense and a pesky offense Eric Fredette, playing goal, was able to keep Methuen at bay for the entire first half. David Cullinan replaced Fredette in goal for the second half as the Warriors tried to hold off the Rangers. A goal by Jerry Kearns, set up nicely by Paul Hardy, about midway in the third opened the Warrior lead to 3 to 0. Methuen continued its scrappy play and finally broke the Andover defense early in the 4th period.

Looking like a comeback may be in the Rangers mind, Mike Sherman closed the door by scoring Andover's fourth goal of the game. This was all Andover needed as the Warrior defense turned away any further Methuen chances.

Andover vs. Billerica

Looking to extend its winning streak to four, the Andover J.V. booters played host to Billerica, Monday at West Elementary Field. The Warriors were never able to get untracked and quickly found themselves trailing 1 to 0 at nine minutes of the first

period, as Billerica scored on a wind-blown corner kick. That was all the scoring of the afternoon as both teams settled down with neither team able to mount any substantial attack. Chuck Augello, Bill Donovan and Kevin Wilson provided strong defense holding Billerica off as forwards Dave Hotham, Andy Kinsky, Hoan Dang and Barry Bloom tried to put one home. Billerica never broke and the Warriors were left with their first defeat of the season. Other Andover standouts included Dave Sherman Todd Zimmerman and Neil Atkinson. Andover next plays host to Chelmsford next Saturday at Andover High.

Soccer

(Continued from Page 39)

Ravens played a very tight game and kept up the pressure throughout. They made many assaults on the Hawks goal zone but great defensive play by fullbacks Rich Sullivan, Keith Driscoll and Mike Melia denied them any good shots on the nets. Goalie Brian Finnerty of the Ravens played an outstanding game and made some excellent saves; however, halfback Neal Weaver was determined to score and he did three times, one on a pass from Paul Mooradian. ESB: Tom Clark (Hawks) as well as Matthew Shine, Robert Thompson (Ravens), and Diane Casey who refereed the game when the official one never showed!

Eagles 4 — Falcons 3

The Eagles took an early lead when Barry Tucker booted in the first of his three goals, all scored in the first half. The Falcons hustled the ball in the second half and John Drake scored, quickly followed by Matt Ostrowski booting in another one for the Eagles. The Falcons continued to dominate much of the play and were successful in scoring two additional goals (Fran Sullivan, John Drake) but were still one down at the final whistle. ESB:

Robert Boshar, Paul Fuchs, Matt Ostrowski (Eagles) as well as Adam Galvin, David Webster (Falcons).

Grade 5/6 Boys (Blue)

Owls 2 — Buzzards 1

The Owls overwhelmed the Buzzards in the first two quarters and took the lead with two goals booted in by Eric Sanborn and Mark Shapiro, both on passes from Tom Bride. The Buzzards met the challenge in the third quarter and Nick Bates scored; they kept up the pressure in the final quarter and made some good shots on the Owls nets, all blocked by goalie David Bartle. ESB: David Maguire, Jeff Shupe (Owls) as well as Eric Penney, Michael Alden (Buzzards).

Gulls 2 — Orioles 1

The score was tied at the end of the first half in an exciting game during which both teams demonstrated some great passing and dribbling skills. The Orioles scored first when Kelly Strong booted in the ball on a pass from Bruce Lane. The Gulls evened it up in the second quarter when

Tidal Power

The world's only working tidal power station, in the Gulf of St. Malo, France, produces 540,000 kilowatts of electricity. In the 145-mile-long Bay of Fundy the tide rises 53 feet twice a day, Massachusetts Audubon says. Dams to trap water at high tide and send it through turbines would generate 13,000 megawatts.

John Todd scored. Both teams battled for control of the ball in the third and fourth quarters and the Gulls won the game when they were awarded a penalty kick in the closing minutes of the game, successfully completed by John Todd. ESB: Bruce Crawford, Danny Sheehan (Gulls) as well as Fred Kratz, David Bellaire, Jeff Kennedy, Brian Shannon (Orioles).

Division 4

Grades 6/9 Girls

Express 5 — Whitecaps 2

The Express won the victory in a game which saw much action in the goal zones. Connie Corkery scored the first of her two goals in the first quarter on a pass from Devra Weisman, soon followed by Anne Marie Murphy's goal to even the score for the Express. The Express were awarded a penalty kick in the second quarter successfully completed by Cynthia Surret, who subsequently booted in two more on passes from Anne Marie Grogan and Aimee Ross. The Whitecaps made several attempts to increase their total but alert goal tending by Jana Caldwell blocked all efforts. Jenna Powell scored on a pass from Linda Cobin, to make the final score 5-2. ESB: Connie Corkery, Devra Weisman (Whitecaps) as well as Katrina Smith, Linda Cobin (Express).

Apollos 1 — Caribous 2

The Caribous were the victors in a very exciting game which remained scoreless until the second quarter when Judy McDonald scored on a pass from Alyssa McCabe. The Apollos evened it up in the fourth quarter when Doreen DeNitto bottled in a 25 ft. shot from the left of the goal. With less than one minute to play, Susan Bradford scored for the Caribous

and they won the points. ESB: Robin Colombosian, Ellen Murphy (Caribous) as well as Toni Weiner, Sharon French, Heidi Weiner, Jennifer Tucker (Apollos).

Division 5

Grades 7/9 Boys

Metros 2 — Sockers 1

The Metros controlled most of the play in the first half and Zack Apgar put them in the lead when he scored on a pass from Ed Melia. The Metros scored again in the second half (Zack Apgar) but the Sockers playing much stronger now kept up the pressure and worked hard to get the ball into the Metros goal zone. They succeeded once (John Lawless on a pass from Danny Kimball) but were still one down at the final whistle. ESB: Dean Lockwood, Chris Ober, Robert Scanlon (Metros) as well as Mark Perlowski, Sean Ross, Billy Baldwin, A. J. Sullivan (Sockers).

Metros 4 — Lancers 0

The Metros were the victors in a game against the Lancers who found themselves forced into a defensive position in the first half, during which two goals were scored by Zack Apgar for the Metros, one on a pass from Dan Boland. The Lancers made some good shots on the Metros nets in the second half, all blocked by goalie Todd Lockwood, and when Zack Apgar scored two additional goals, the Metros won 4-0. ESB: Sean Trombly, Matt Shea, Charlie Lamson (Metros) as well as Steve McDowell (Lancers).

Stompers 9 — Roughnecks 0

The Roughnecks were overwhelmed by the Stompers who dominated throughout the game. Fullbacks Mike Drozdick, Kenny and Kevin Flynn worked hard to defend the Roughnecks goal zone, as well as goalies Brendon Bachner and Dan Prestia who made some good saves, but the Stompers were able to score nine goals

before the final whistle (Ken Heydt, Steven Carbone, Peter Surrence and Chip Dye). ESB: Peter Surrence, Scott McNamara, Marc Bolan (Stompers) as well as Peter Byrne, Michael DeNitto (Roughnecks).

Lancers 5 — Tornadoes 0

The Lancers demonstrated some fine passing skills in their game against the Tornadoes, which undoubtedly contributed to their victory. They controlled most of the play and were able to score five goals (one on a penalty kick) whilst denying the Tornadoes any good shots on their nets. Lancers goals scored by Ken Crawford on

a pass from Steve McDowell, John Hevehan on a pass from Paul Thoday, Paul Thoday and Kurt Oliver. ESB: Tony Romano, Scott West (Lancers) as well as Barry Enos (Tornadoes).

Pandas

Several hundred giant pandas live in scattered bamboo forests of western China where leopards are the only enemy, Massachusetts Audubon tells us. The population may increase because pandas prefer inaccessible terrain and do not threaten live-stock. The pelt has no value, and their protection by the government is a matter of national pride.

Child Labor

The first legislation dealing with child labor was a Massachusetts Bay court order in 1640 which called for town magistrates to investigate the possibility of "teaching the boys and girls in all towns the spinning of the yarn," according to the U.S. Department of Labor booklet, "Labor Firsts in America."

3-D Wings

Down, the fluffy under feathers of all birds (highly developed in waterbirds), is three dimensional and can trap the most air with the least material of any known substance, Massachusetts Audubon notes. The demand for down has doubled during the past six years; 18.5 million pounds were imported in 1977, and 80 percent of it came from domesticated geese and ducks in China.

"Andy 500" Two Weeks Away

Bowdoin Player

Phil Pierce of One Royal Crest Drive, North Andover, is a center on the 1978 Bowdoin College football team, and co-captain of the squad. A senior, he is a graduate of Melrose High School and a former resident of East Falmouth.

The Fourth Annual "Andy 500" Road Race will be held on Saturday, Oct. 7 at the "School Street Speedway." Sponsored by the Andover Recreation/Community Schools Department, the Andy 500 has grown in popularity over the past three years and promises to be a big event again this year.

The event is open to all students in grades 1-9 whose parents either reside or work in Andover. While some competition begins at 11 a.m., cars and drivers must be ready for inspection, registration and practice at 9:30 a.m.

Trophies will be awarded to first and second place finishers in both competing classes. Classes are divided into solo driver and double driver categories. In order to even up the skill level of the participants, each competitor participates against racers in his/her own age group. Classes therefore are further broken down into grades 1-3; grades 4-6; and grades 7-9.

Ribbons will be awarded to all third place finishers as well as to winners of non-racing events. Non-racing events include selection of the most attractive and safest vehicles and the picking of the "Andy 500 Bomb."

All cars should be designed primarily

TOWN OF ANDOVER

PLANNING BOARD
PUBLIC HEARING

In accordance with Chapter 40 G.L., Section 5, notice is hereby given that the Andover Planning Board will hold a public hearing Monday, October 16, 1978 in the Memorial Hall Library, second floor, at 8:00 P.M. to consider the following amendments to the Zoning Bylaw:

ARTICLE - - - -

To see if the Town will vote to amend the Zoning Bylaw of the Town of Andover, Section VIII, Paragraph B, entitled "Board of Appeals", by striking out Paragraph B(1) and substituting the following therefor:

1. There is established a Board of Appeals of five members and there shall be also appointed two associate members to the Zoning Board of Appeals. The members of the Board of Appeals and the associates shall be appointed by the selectmen as provided in Chapter 40A of the General Laws. The Zoning Board of Appeals shall be organized and governed by the provisions of General Laws, Chapter 40A.

ARTICLE - - - -

To see if the Town will vote to amend the Andover Zoning Bylaw as amended so as to change from Single Residence "A" to the General Business Zone the land and the building thereon of Reginald L. Marden located at 23 Central Street, more particularly bounded and described as follows:

Westerly: By Brook Street in two courses, 43.88 feet and 189.92 feet;

Northerly: By a stone wall at land now or formerly of Peter F. Fisher and Muriel Fisher, 98.27 feet;

Easterly: By land now or formerly of Doherty Trust, 211.00 feet; and

Southerly: by Central Street, 100.56 feet and 24.82 feet.

Said parcel is shown on Lot #47 on Assessors Map 55 and is presently zoned R-2 with a variance for use as a two (2) family dwelling.

Such rezoning shall be subject to restrictions on use recorded at the Essex North Registry of Deeds as provided for in Section VIII (C) of the Andover Zoning Bylaw as amended.

RABBIT DIESEL.
DRIVE THE
HIGHEST MPG CAR
IN AMERICA.

Start 'er up and you may be in for a surprise. Because the most astonishing news about our economy car isn't the economy. It's the car. For example: Are you the kind of person who enjoys zipping from 0 to 50 in a mere 11.5 seconds? Well, you'll be ecstatic in a Rabbit. In fact, it's already set 31 world records for Diesels.

Another example: room. Open the hatch, and (amazingly!) there's more trunk space than a Cadillac Seville. Fold down the rear seat and (shockingly!) there's almost as much cargo room as some station wagons.

Then open the door. Your eyes don't deceive you. It has more people room than 40 other cars you could buy.

What's more, you should be thrilled to know diesel fuel costs about 10¢ a gallon less than gasoline. Diesel engines hardly ever need regular tune-ups. And to top it all, a Rabbit Diesel won top honors in the latest EPA mileage tests with 53 MPG highway, 40 MPG city.

(EPA Estimates. Actual mileage may vary with how and where you drive, optional equipment and your car's condition.)

Now, how can you resist a test drive in a car like that?

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage deed given by DANIEL F. CARR and EUNICE CARR to HOME OWNERS FEDERAL SAVINGS AND LOAN ASSOCIATION, a United States corporation, doing business in Boston, Suffolk County, Massachusetts, dated February 11, 1976 and recorded with Essex North District Registry of Deeds in Book 1276, Page 295, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction, on the premises, on Tuesday, the 24th day of October, 1978, at 11:00 o'clock in the forenoon, all and singular the premises conveyed by said mortgage deed, namely:

"Condominium Unit No. 83 (the Unit) in the Condominium known as Village Green Condominium at North Andover (the Condominium), situate at Northwestern side of Chickering Road, North Andover, Mass. created by a Master Deed (the Master Deed) dated April 27, 1973, recorded with the Essex North Registry of Deeds in Book 1217 Page 609.

The Unit is more particularly described (1) in the Master Deed (2) such site and floor plans as have been recorded or filed therewith, (3) in the first Unit Deed thereof and (4) copies of portions of such site and floor plans filed therewith. The Unit is conveyed together with an undivided .7937% interest in the common areas and facilities of the Condominium and the same .7937% interest in the Organization of Unit Owners known as Village Green at North Andover Condominium Trust (the Unit Owners Organization). The Unit and said undivided interests are together hereinafter referred to as the Mortgaged Premises.

The Mortgaged Premises are conveyed subject to and together with the benefit of (1) the provisions of Chapter 183A of the General Laws (Ter. Ed.) of the Commonwealth of Massachusetts, (2) the provisions and matters set forth and/or referred to in the Master Deed, (3) the provisions of the instrument creating the Unit Owners Organization and the By-Laws thereunder as recorded or filed with the Master Deed and such Rules and Regulations as may be promulgated thereunder and (4) the provisions set forth and referred to in the Unit Deed of Robert A. Keezer et al, Trustees to Mortgagor to be herewith recorded with said Essex North Deeds, to which Unit Deed reference is herein made for the title of Mortgagor.

The post office address of Unit 83 is 26 Village Green Drive, North Andover, Mass."

This conveyance includes all attached floor and wall

coverings and other improvements, stoves, sinks, shades, screens, storm windows, plumbing, gas and electric fixtures, and, if built in, refrigerators, dishwashers, disposals, washing machines and driers, and any and all other fixtures and equipment now or hereinafter placed on or in the Units insofar as the same are, or can by agreement of the parties be made a part of the realty.

Said premises will be sold subject to any and all unpaid taxes, tax titles, assessments and municipal liens, so far as the same may legally exist.

FIFTEEN HUNDRED (\$1,500.00) DOLLARS will be required to be paid by bank or by certified check at the time and place of sale, when the other terms of sale will be made known.

Town & Country Paint & Wallpaper — Fall Clearance Sale

A Big Fall Clearance Sale is now going on at Town & Country Paint & Wallpaper, 205 Pleasant Street in North Andover. It is conveniently located just off Rte. 125 in the McAloon Package Store building (rear).

Wallpapers in stock are now being offered at savings up to 70%. It's a big clearance of stock on hand and it is an excellent opportunity to pick up wallpaper at substantial savings. This is all top quality, brand name wallpaper, priced as low as 49¢ a single roll and up, for discontinued patterns. Some Strahan papers are included and some room lots, at up to 70% off. Also Town & Country offers good discounts on prices in papers

ordered from their large selection of wallpaper books.

Whether you are a home handyman doing the work yourself or having it done, you can cut costs considerably by taking advantage of this sale now at Town & Country Paint & Wallpaper. Bring your room measurements — owners Bill and Bertha McAloon can give you a hand at estimating number of rolls required. And you can get all the supplies you need right there. Also, rental service is available on wall paper steamers, floor scrubbers, rug shampooers and floor sanders.

Painting always goes hand in hand with a new wallpaper job and here again Town & Country can serve you. They feature

Touraine paints that make painting a pleasure. Bring in a swatch of your carpet, drapes, etc., and they will provide the perfect shade to match or contrast.

Save big on wallpaper for every room in your home at the big Fall Clearance Sale of wallpaper in stock at Town & Country Paint & Wallpaper. Take advantage of this sale now — savings up to 70% on top brand names in discontinued patterns.

Town & Country Paint & Wallpaper is open weekdays from 8 A.M. till 5:30 P.M. Fridays till 9 P.M. and Saturdays 8 A.M. to 5 P.M. BankAmericard and Master Charge accepted. For further information, tel. 685-6741.

BE CAUTIOUS WITH DEEDS

Probably the deed to your property is filed away, all but forgotten. Probably you've never checked it since the day it served to pass title from the previous owner to you. Perhaps you didn't even check it then. There may have been no urgent reason to. Nevertheless, an apparently secure deed can turn out to be a worthless piece of paper.

For instance, suppose the deed states the name of the seller, but doesn't contain his signature? Suppose the seller was under 21? Suppose the seller died before you received the deed? Suppose there's an error in the way the deed describes the

property?

Any of these defects — as well as many others — could make your deed invalid. But defective deeds are the exception, not the rule, so don't be frightened. Just be cautious. And the best way to be cautious is to deal with a reputable real estate professional and a knowledgeable real estate lawyer.

If there is anything we can do to help you in the field of real estate, please phone or drop in at **THE HOWE AGENCY, 4 Punchard Ave., Andover. Phone: 475-5100.** We're here to help.

Are you overlooking an extraordinary way of life?

These people are.

They're residents of Millpond. An extraordinary community of contemporary
townhomes in historic North Andover.

At Millpond, a firm regard for the traditions of the past exists side by side with a healthy
respect for the joys of modern living.

Take the townhomes themselves. Like the land they occupy, they are bold, rugged,
and natural on the outside. Gracious, expansive, and fully
convenient on the inside.

There are tennis courts here. A swimming pool.
A private beach and boat dock on historic Stevens Pond.

There are nature trails. And ski trails. And riding
paths. All on 22 of the most beautiful acres of New England
countryside you've ever seen.

The Millpond lifestyle begins at \$78,800. Why not
come out sometime, and take a careful look at this
carefully planned community.

To get here, take Rt. 495 to the Mass. Avenue exit (North Andover). Turn left on 125, and
one-half mile later, turn right on Pleasant St. Millpond is one-quarter mile down, on Stevens Pond
From Rt. 128, take 95 North to Exit 15 (Rt. 125 to North Andover). At 114/125, turn left. Bear right at
first traffic light, staying on 125. Turn right on Pleasant St., about 1/2 mile down. Millpond is
a quarter of a mile away.

Andover Man's Death Probed In Bahamas

Investigation is continuing into the death of E. Steven Skane of Andover, whose body was found after a plane crash Sept. 15 several miles off the coast of South Bimini in the Bahamas.

Skane was believed to be the pilot of the DC3 plane, in which some 350 pounds of marijuana was recovered in the wreckage by Royal Bahamian police.

Andover police had warrants outstan-

Semi-Finalist

Elise Pyun, daughter of Mr. and Mrs. Chong Wha Hae-Yung, 6 Gardner Ave., a senior at Andover High School, has been named a National Merit Scholarship semi-finalist. On the staff of the school newspaper and a member of the Mat League at Andover High, she plans a medical career following graduation.

Car Wash

The Andover Lions Club will conduct a car wash Saturday, Sept. 30 from 12 noon to 4 p.m. at the Bay State National Bank parking lot. Proceeds benefit the Lions' Massachusetts Eye Research funds.

A new solar-powered industrial civilization could develop in the tropics as fossil fuels become scarce and expensive, Massachusetts Audubon tells us.

ding for Skane in connection with a major drug raid on his 452 Lowell St. home last June.

Funeral services were held Monday at The Chapel, in Melrose where his father, Rev. Edward R. Skane is pastor.

Skane, a former Melrose High star athlete, and a Boston businessman, was reportedly on a business trip in the Bahamas when his plane crash-landed in the ocean. Royal Bahama Police were seeking Baron Hermon of Miami, a passenger on the plane, but were unable to talk to him concerning the flight and its contents since he was now out of Bahamian jurisdiction.

Investigators were also attempting to determine the origin of the flight as well as its destination.

The state and local police raid on the Skane home in June netted \$50,000 in

Insects

Insects comprise three-fourths of all animal species and have been called environmental glue. They form a web of interconnecting, living relationships that tie the living world together, Massachusetts Audubon tells us. Each species of plants and animals is affected by insects.

cocaine along with marijuana and \$5,005 in cash. The raid also resulted in further drug arrests in the South Shore area.

Skane, following graduation from Harvard in three years, was in the steel erection business and was president of Design Engineering and Metal Fabricators, Inc.

Besides his parents, he is survived by

his wife, Patricia Anne (Donley) Skane, two daughters, Rebecca Lee and Rachel Bethany; two brothers, Lance Cpl. Milford R. Skane, stationed in El Toro, Calif. and David J. Skane of Los Angeles and grandparents Edward U. Skane of Everett and Milford B. Churchill of Hemet, Calif.

Faculty Recital

On Sunday, Oct. 1, at 3 p.m., in the Addison Gallery, the Music Department of Phillips Academy will present its first concert of the 1978-79 school year, a Faculty Recital of baroque music by Marcia Mulroney, baroque flute, and Carolyn Skelton, harpsichord.

The program for Sunday includes works by Locatelli, Hotteterre le Romain, Quantz, and Bach.

Admission is free and the public is invited to attend.
